Facility Notice No.36/2016

Sub: Ease of doing Business – Posting of officers in Import Noting section on Saturday/Sunday and Holidays for smooth SMTP Message Exchange - Reg.

Attention of all the Importers, Exporters, Customs Brokers and other stake holders is invited to instances when SMTPs are not generated through ICEGATE online system due to technical problems. In such a case S/Lines are required to approach Superintendent (Import Noting) to approve IGM Number in the system and then SMTPs are automated & transmitted to shipping lines/ terminals/ ICD customs. It creates a lot of problems over the weekends as Import Noting section does not normally work on Saturday & Sunday.

To ameliorate such difficulties to the trading community and to ensure that there is no hold up of imported cargo, it has been decided that for the purpose of attending the issues related to the SMTPs, the Import Noting section will be in operation on Saturday , Sunday and all closed holidays.

All the importers/exporters and other stake holders are advised to avail of this facility for speedier clearance of their cargo.

For further information/clarification in this regard, Shri Ashok Thaker, Asstt. Commissioner of Customs, Import Noting, JNCH, Nhava Sheva may be contacted at his office at 4th Floor, Jawaharlal Nehru Custom House, Nhava Sheva or on phone no. 022-27244836.
