STANDING ORDER NO. 75 /2010

Sub: Discharge of MSC Chitra Salvage Containers/Cargo at Belapur Port, Procedure to be followed for further clearance of the same reg.

After the collusion of the MSC Chitra and MV Khaleeja III, 279 containers are retrieved from the sea and brought to the CFSs as per the prescribed procedure. However, there are still about 200 containers which have been offloaded on the barges and could not be brought to the JNPT port due to technical difficulties. The procedure related to the clearance of these containers is as follows.

As per the request of the M/S MSC Agency it is decided that these containers can be offloaded at the Belapur Coastal Port. As per the clarification issued by the Ministry vide F No 401/179/2010-Cus III dated 12 th Nov 2010, this being a exceptional situation, the said containers may be allowed to be offloaded from the barges at Belapur Port under Section 33 of the Customs Act, 1962 by the proper officer that is Commissioner of Customs (Preventive), Mumbai. The permission given to offload the containers at Belapur port will remain valid for a period of 3 months from the date of permission given by the Maharashtra Maritime Board (MMB) or actual period which ever is earliest subject to the safeguards to be taken by the Shipping line as prescribed by the Maharashtra Maritime Board for the security of the containers. Similarly the Shipping line will execute the Bond with office of the Commissioner of Customs (Preventive)

regarding the Custodianship of the goods during storage of the goods at Belapur port so required under the provisions of Handling of Cargo in Customs Areas Regulations, 2009 and transfer of the goods to the designated CFSs. All the discharged containers/goods from the barges at Belapur Port shall be duly received under the supervision of the M&P Officers of Commissionerate of Customs (Preventive). ♦The Shipping line will follow the procedure as decided for the different categories of the goods.

2.2 The Shipping Agent (M/s. MSC Agency (India) Pvt. Ltd.) shall segregate the♦ containers/cargo in following categories:

- i. Export cargo loaded from JNPT.
- ii. Cargo meant for other port.

♦They will submit the details thereof to the Custom officer at Belapur Port with a copy to DC (PG), JNCH. For container/cargo indicated as export cargo, the shipping line should submit the details namely Container Number and concern Shipping Bill to Customs Officers. After the receipt of the containers, the Customs officer at the Belapur port will verify the declaration of the Shipping line.♦♦♦

3 EXPORT CONTAINERS LOADED FROM JNPT:

3.1 ♦♦ The Export containers found in sound condition with Customs Seal intact shall be brought to the designated CFS. If these are to be exported to original consignees, these goods will be re-examined and if condition of cargo is found to be same as declared, then export would be allowed after amending Shipping Bill for IGM No.. However, if the condition of cargo is found to be different /deteriorated, then the original Shipping Bill shall be cancelled and new Shipping Bill shall be filed. In both cases, the consent of exporter for exporting these goods will be produced to the Custom Officer before grant of L.E.O.♦ ♦If Exporter wants to take the container back to town, then same will be permitted by the AC (Export) of the CFS subject to usual procedure. In the eventuality of exporter neither giving consent for export nor taking back to town, the goods will be disposed of with the permission of Commissioner of Customs (Export), JNCH.

3.2 Export Containers found in sound condition but with seal damaged/broken, the container shall be sealed with agent bottle seal, and brought to the designated CFS. If the exporter decides to export the goods, he shall file a fresh shipping bill after cancellation of the original shipping bill and follow the export procedure. If decision is taken for taking the goods back to town, back to town procedures will be followed. In absence of these two happenings, goods will be disposed of with the permission of Commissioner of Customs (Export), JNCH.

3.3 Export Containers found in damaged condition shall be reworked (reworking means shifting of cargo from damaged container to other empty container) under M&P Officer supervision. Before such transfer of the goods the quantity and the condition of the goods will be ascertained by an independent government approved surveyor. The survey report will be signed by the Customs officer i.e. Inspector and Superintendent at Belapur Port. After sealing the container with agent bottle seal shall be brought to the designated CFS. If the exporter decides to export the goods, he shall file a fresh shipping bill after cancellation of the original shipping bill and follow the export procedure. If decision is taken for taking the goods back to town, back to town procedures is to be followed. In absence of exporter's response, procedure given here in above will be followed.

3.4 For each Export container, a separate serially numbered challan (three copies) will be prepared by the Shipping line indicating container number, Shipping Bill Number, seal number and new container number (if required). The survey report will also signed by the officer. The Custom officer will give forwarding order on the challan and the container will move along with the challan to the designated CFS. The gate officer at the CFS will endorse on the Challan acknowledging the receipt of the container in the CFS. The Shipping line will submit such challan along with survey report to the Boarding office of JNCH. One copy of that challan duly endorsed

by JNCH will also be handed over to custom office at Belapur by the shipping agent as a proof of the same being properly received by JNCH.
