

Office of Commissioner of Customs (General)
Jawaharlal Nehru Custom House, Nhava Sheva, Maharashtra

F.No.S/5-Gen-47/2019-20 CCSP
DIN No.20200578NU00005WAA6F

Dated 08.05.2020

To
Container Freight Station
(as per list attached)

Madam/Sir,

Subject: Further Guidance to CFS on strict implementation of the Ministry of Shipping Order dated 21.04.2020 [including in its para 3(iii)] and DG Shipping orders that are referred in CBIC letter No. 394/46/2020 – Cus (AS) dated 23.04.2020.

A number of grievance emails, including repeat emails, referring to containers lying at CFS, are being received daily, especially from importers on the issue of CFS non-compliance of the Ministry of Shipping Order dated 21.04.2020 [including in its para 3(iii)] and DG Shipping orders that are referred in CBIC letter No. 394/46/2020 – Cus (AS) dated 23.04.2020. These directions relate to not levying/not charging penalties, demurrage, charges, fee, rentals for any delay inter-alia in evacuations of cargo caused by the reasons attributable to lockdown measures from 22nd March 2020. Some Importers' emails have also been expressing grievance about having to making protest payments.

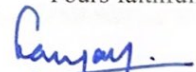

2. Guidance has been given to CFS under communications dated 27.03.2020, 09.04.2020, 23.04.2020, 24.04.2020, 27/28.04.2020 by this Office, conveying, inter alia, that the Lockdown Orders and containment of Covid-19 Directives under specific Acts issued by the GOI and the Govt. of Maharashtra result in goods/containers being detained by force of circumstances created by Law. As the logistics chains of businesses adjust to these measures, the said type of confinement eases. CFS was requested to view the situation in perspective and as akin to when goods detained per HCCAR, 2009. It was informed that CFS is part of the lay-out and business plan of the individual Ports/Terminals at Jawahar Ports. The CBIC Circular 133/1995-Customs mentions that CFS is to be taken as an extended arm of the Port and as a Docks. It is further highlighted that Comptroller and Auditor General (CAG) of India's Report No.16 of 2018 confirms that CFS are called dry ports as they handle all customs formalities related to import and export of goods at these locations, and that in a multi modal transport logistics system, CFS act as hubs in the logistics chain. The CFS as being with public authority described in the Guidelines for setting up CFS was highlighted. It was conveyed that such status cast inherent duty on CFS to implement the directions to not levying/not charging the relevant charges etc.

3. Your attention is also drawn to material placed on JNCH website of Out Of Charge given but container pending in CFS which numbered over 33,000 on 27.04.2020. Previous numbers had been lower.

4. Based on the foregoing it is once again guided to make full and strict compliance of the said directions. It would also avoid prolonging CFS congestion as room for delay from client repeatedly approaching to CFS shall be curtailed. Moreover, repeat physical visits by importers would not be required.

Attached: List of CFS

Yours faithfully

08.05.2020
(Sanjay Mahendru)

Commissioner of Customs
