GENERAL COMMISSIONERATE

3. Shri Krishana Kumar Prasad, Additional Commissioner of Customs, JNCH started the discussion on the agenda points of the meeting related to the General Commissionerate.

I. AGENDA POINTS RAISED BY MANSa

- 1) Agenda Point :- Disposal of Garbage, at present, is not undertaken at night time by the Marine Department (MC & PC).

For the vessel berthing at night and sailing early morning Shipping lines are not able to provide this service to the vessel. Even though the permission is obtained in advance from the Terminal / Customs by the Shipping Lines (actually it's not a job of the Shipping Line) but the vessel berth / Sail at night time. The matter has been discussed with the Marine Dept and the Harbour Master.

Also, for the vessel berthing at BMCT, Shipping Lines need to obtain port passes/Tempo permission from BMCT. Actually, it's not the responsibility of Shipping Lines, as the Vendor is appointed by JNP Marine Dept. Harbour Master has given assurance that he will discuss this with the Dy Conservator and will come up with a good solution.

प्रतिक्रिया/Response: The chair stated that in case the garbage is not disposed properly, the master of the vessel or Shipping line is supposed to coordinate with the marine department to ensure the disposal of the garbage.

II. AGENDA POINTS RAISED BY BCBA

- 1) Agenda Point :- Request for issuance of PN for Drawback and EGM Errors

We would like to bring to your kind notice that Air Cargo Customs are regularly issuing Public Notices containing list of EGM Errors. We are enclosing herewith latest PN No 28/2023 & 29/2023 for your ready reference. This issue has been addressed in earlier PTFC meeting also. We request for similar PN to be issued from JN Customs regularly as this will help trade to approach Customs / relevant stakeholders with necessary documents to resolve the same and get credit of export incentives.

प्रतिक्रिया/Response: The chair stated that EGM Co-ordination Cell, JNCH is in coordinating with EGM Co-ordination Cell, Air Cargo Complex, Mumbai for procedure to generate EGM error list from the system. The practice of issuance of PN regarding EGM errors will be started soon. The chair also directed that all the stakeholders including the shipping;

line should ensure whatever EGMs are filed are error free, so as to minimize the errors. Whenever an EGM error occurs, they (Shipping Line) should take action to get it corrected.

2) Agenda Point :- Delay in Gate Verification at CPP

As per the existing process, all containers which enter the Centralised Parking Plaza are required to have their RFID seals read and verified before proceeding for custom clearance. There has been a sizeable delay in the gate verification in the past few days which is adversely impacting the overall time taken for custom clearance of factory stuffed containers. We request to allot adequate manpower for each gate for timely seal verification and other formalities. We request your kind intervention.

प्रतिक्रिया/Response: The chair stated that the deployment of additional staff for each gate of Parking Plaza will be taken into consideration as and when new set of officers join the JNCH. Meanwhile there is a need to have adequate infrastructure viz cabins, computers etc. in respective gates for effective functioning of operations.

EXPORT COMMISSIONERATE

4. Ms. Usha Nilkanth Bhoyar, Joint Commissioner of Customs, JNCH started the discussion on the agenda points of the meeting related to the Export Commissionerate.

(I) Agenda points proposed by Brihanmumbai Custom Brokers Association (BCBA):-

1) Agenda Point:- SCOMET Compliances

For compliances of SCOMET, it is requested that the alert for compliance should reflect at the time of filing of SB instead of the present situation where it gets reflected at the time of LEO even for items that are used for civilian use. Further we request that for sake of clarity, items which are not being used for application as stated in SCOMET, a self-declaration from exporters be recovered for providing LEO. HSN wise details may kindly be introduced in EDI system.

प्रतिक्रिया/Response: The chair stated that DGFT has already provided compliance related to SCOMET items. A training regarding SCOMET compliance will be organized soon. EDI system related issued will be taken up with the DG system.

2) Agenda Point:- Online mechanism to be set for registration of advance licences, EPCG

licences:- Current practice is all procedures are done manually. Request that online mechanism be set for registration of advance licences, EPCG licences which will reduce the dwell time for clearance and transaction cost.

प्रतिक्रिया/Response: The chair stated that the Online mechanism for registration of advance licences, EPCG licences will have to be developed by DG system. A committee for 'expanding automation-digitisation in export processes' headed by Shri Sanjeev Kumar Singh, Commissioner of Customs NS-II, JNCH has already recommended a similar system.

The members attending the PTFC meeting were asked for their opinions, and it was suggested that if trade members were in agreement, a locally developed system could be promptly implemented. All the meeting participants enthusiastically welcomed and unanimously agreed to this proposal. However, the current process for Bank Guarantee and Bond will be continued along with the said online mechanism for licences. Therefore, the chair stated that the online mechanism will be developed and implemented soon, hopefully by the end of next month.

5. The members of the meeting were informed that the mode and date of conducting next PTFC meeting shall be informed well in advance. All the Association members were requested to forward their agenda points, if any, at least 07 working days in advance by e-mail to Appraising Main (Export) Section on apmainexp@jawaharcustoms.gov.in for taking up the issue in the upcoming PTFC meeting.
