- f) The Deputy Director General Foreign Trade, Rajkot vide their letter F.NO.24/21/021/00044/AM13 dated 02.12.2015 had withdrawn the redemption issued on 30.04.2015 to M/s Printwell Offset, Rajkot.
- g) PO had filed SCA No. 20606 of 2015 before the Honble High Court of Gujarat at Ahmedabad.
- h) The Hon'ble High Court of Gujarat at Ahmadabad vide order dated 23.03.2016 had modified the conditions for provisional release of the seized machines.
- i) The Hon'ble High Court did not quash the withdrawal of the redemption of Export Obligation but allowed the petitioner to fulfill export obligation as they still had time in terms of EPCG License.

14. The Hon'ble High Court of Gujarat at Ahmedabad vide the order dated 23.03.2016 at Para 5 also observed that "*In the light of the fact that the principal relief prayed for in this petition has not been pressed. It is not necessary to enter into the merits of the impugned order dated 02.12.2015 withdrawing the redemption issued to the petitioner. However, consequent to the said order, as on date, the petitioner's redemption stands withdrawn. Resultantly, the petitioner firm would be required to fulfill the export obligation in terms of the EPCG scheme authorization granted to it. Since the first part of the export obligation was to be completed within a period of four years. It appears that the petitioner still has time to*

fulfill the export obligation. As rightly submitted by the learned counsel for the petitioner, if the machines imported under EPCG scheme remain under seizure, the condition thereof is likely to deteriorate, which would not benefit either the petitioner nor the revenue. On the other hand, if the petitioner firm is permitted to use the machines, it may be in a position to fulfill the export obligation, which would be in the benefit of the scheme....."

15. From above, it is clear that the Hon'ble High Court of Gujarat at Ahmadabad had given PO another opportunity to fulfill the export obligation under the EPCG scheme using the imported machines imported under EPCG Authorization No. 2430001677 dated 03.07.2012.

16. It appeared that PO had fulfilled the export obligation and obtained Export Obligation Discharge Certificate wrongly by printing only the cover pages of Note Book i.e. first and last page on the imported machineries which were later shown exported under 64 Shipping Bills by Nemlaxmi and thus wrongly claiming benefit of third party export on the entire value of the note books to the tune of Rs. 14,84,98,171/. Nemlaxmi, Surat had issued wrong declaration dated 22.09.2014 stating that goods exported under 64 Shipping Bills had been manufactured by PO and on the basis of this wrong declaration PO had obtained Export Obligation Discharge Certificate from DGFT which was subsequently withdrawn by the Deputy Director General Foreign Trade, Rajkot vide their letter dated 02.12.2015. It also appeared that there was no written agreement between the Authorization holder i.e PO and the ultimate exporter i.e Nemlaxmi, Surat as prescribed under Para 5.10(d)(i) as prescribed under Hand Book of Procedure 2015-16. Further PO had not issued any invoice duly incorporating EPCG authorization number and date at the time of dispatch of the goods. Similarly, no lorry receipt/logical evidence for transportation of goods from the premises of PO to the premises of third party i.e Nemlaxmi, Surat was produced by PO which were required as per Para 5.10(d)(ii) & (iii) of Hand Book of Procedure 2015-16. It was evident that PO had violated the condition (9) of the Notification No.102/2009-Cus dtd.11.09.2009 by showing export obligation for the entire value of the note books. The Hon'ble High Court Gujarat in its Order dated 23.03.2016 had not quashed the seizure of the machineries but only modified the conditions of the provisional release and also allowed M/s. Printwell to make further exports to fulfill their export obligation. Therefore, it appeared that the said machineries seized under section 110 and ordered to be provisionally released as per the terms modified by the Hon'ble High of Gujarat were liable for confiscation under Section 111(o) of the Customs Act, 1962 read with Section 124 of the Customs Act, 1962. This Act of M/s. PO had rendered themselves liable for penalty under Section 112(a) of the Customs Act, 1962.

17. Nemlaxmi, Surat, was aware that PO, Rajkot had printed only the cover pages of note book i.e. first and last page, which were exported under 64 Shipping Bills and had knowingly given wrong declaration that the goods exported by them under 64 Shipping Bills were manufactured by PO, Rajkot. Due to the wrong declaration given by Nemlaxmi, Surat, PO, Rajkot had obtained EODC on misrepresented FOB Value. Thus, Nemlaxmi, Surat had facilitated PO in fulfilling the export obligation wrongly. This act of Nemlaxmi, Surat had

28. **Above mentioned SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024 brought out the following additional facts: -**

29. M/s. Printwell was permitted by Hon'ble High Court to fulfil export obligation as per the terms of the EPCG authorization. The export obligation period in respect of EPCG authorization No. 2430001677 dated 03.07.2012 lapsed on 02.07.2018. Therefore, the Joint Director, DGFT, Rajkot was requested vide letter dated 02.01.2019 (RUD No.18) to inform actions taken in respect of the authorization and the then status thereof. In response, the Deputy Director, DGFT, Rajkot vide letter No. 24/21/021/00044/AM13 dated 05.02.2019 (RUD No.19) informed that M/s. Printwell had been informed to file fresh redemption as per Para 5.10(c) of the HBOP.

30. Therefore, M/s. Printwell was requested vide letter dated 08.05.2019 (RUD No.20) to submit copy of application for redemption/EODC, copy of EODC/ redemption certificate issued by DGFT, copies of all the shipping bills under which export obligation had been fulfilled by them. In response, M/s. Printwell vide their letter dated 16.05.2019 (RUD No.21) replied that all the documents had been handed over to the investigating officer while recording statement on 29.04.2015.

31. A summons dated 24.06.2019 was issued to Shri Jitendra Jadavbhai Kakadia, partner of M/s. Printwell to remain present on 08.07.2019 for giving statement and producing documents i.e., application for redemption/ EODC, copy of EODC/ redemption certificate, shipping bills under which export obligation had been fulfilled after the order dated 23.03.2016 of Hon'ble High Court, copies of sales agreement or purchase order etc. In response, M/s. So this case would be referred to Director General of Foreign Trade, New Delhi for Foreign Trade Policy (2009-15) clarification whether full export value of the exported products should be considered under the Export obligation or corresponding value addition of 4.27% should be considered under Export Obligation". M/s. Printwell also informed that the Dy. DGFT, Rajkot vide letter F No. 24/21/021/00044/AM13 dated 25.02.2019 had made reference in this regard to EPCG Section, DGFT, New Delhi. M/s. Printwell also submitted copies of the OIO dated 28.07.2016 and letter dated 25.02.2019 issued by the Deputy Director, DGFT, Rajkot."

32. Therefore, the matter was again referred to the Joint Director, DGFT, Rajkot vide letter dated 25.04.2019 (RUD No.23) followed by reminders, to ascertain the decision taken. The Joint Director, DGFT, Rajkot vide letter No. F.No. 24/21/021/00044/AM13 dated 28.08.2020 (RUD No.24) informed that M/s. Printwell had neither submitted any request for redemption of the authorization nor any document evidencing fulfilment of export obligation and thus the DGFT had not given any closure letter. It was further informed that the DGFT, Rajkot had made reference to DGFT (HQ) in a similar case and it was clarified that "there is no provision for job work in the FTP 2009-14" and therefore, any export made contrary to provisions of FTP may not be considered towards fulfilment."

33. In view of the clarification issued by the DGFT, a summons No. CBIC-DIN-202010DDZ100004P6BBO dated 12.10.2020 was issued to M/s. He said that in the absence of any clarification regarding shortfall in export obligation already done by them, they were not in a position to export anything further against the EPCG licence. Thus, no document sought in the summons was available with him. Statement of Shri Jitendra Jadavbhai Kakadia was recorded on 22.10.2020 (RUD No.26) wherein he stated that:

Shri Jitendra Jadavbhai Kakadia appeared on 18.12.2020 and submitted a letter dated 18.12.2020 (RUD No.29) wherein he submitted that their DGFT consultant had submitted the application to PRC on 14.12.2020. The DGFT, EPCG section, New Delhi vide letter F.No.01/60/162/395/AM-21/PRC/EPCG/25 dated 17.12.2021 to DRI clarified as under;

"It was observed that since RA has cancelled EODC issued to M/s. Printwell Offset, the DRI can take further action as they deem fit. This case is not a matter of EPCG committee as there is no relaxation or nexus involved".

Thus, it appeared that PRC had rejected the application for extension of EO period and clarification on third party exports. In this context, it was evident that M/s. Printwell was liable to pay duty saved at the time of import of machineries to the extent of not fulfillment of export obligation as they had failed to fulfill the conditions prescribed under the exemption notifications.

Printwell imported printing machinery namely (1) Heidelberg Suprasetter A105, (2) Heidelberg Speed Master CD 102 Five Colour Offset printing press, and (3) High Speed Cutter Polar N 115 along with accessories of these machines and cleared the same under Bills of Entry No. 8270493/19.10.2012, No.8288223/22.10.2012 and No.8288712/ 22.10.2012 under EPCG scheme and availed Customs duty exemption under Notification No.102/2009-Cus dated 11.09.2009. The declared assessable value of these machineries was Rs. 9,57,34,315/- and actual total duty saved amount was Rs. 2,47,49,694/-.
- iii. Proportionate export obligation which was required to be fulfilled by M/s. Printwell was US\$ 26,73,234.26 (Indian Rupees 14,84,98,164/-).
- iv. M/s. Printwell contacted M/s. Nemlaxmi, Surat who was engaged in export of notebook and as per their verbal understanding, M/s. Printwell had printed only title page of the notebooks/ exercise books/ registers/ ruled papers etc. exported by M/s. Nemlaxmi under 64 shipping bills totally valued at USD 20,02,272 having FOB value of Rs. 12,16,46,716/- as per Annexure-A. These shipping bills were filed by M/s. Nemlaxmi wherein name of M/s. Printwell and their EPCG authorization No.2430001677 was declared as third party. In this way, M/s. Printwell had carried out job work of title pages of notebook only and did not manufacture the exported goods.
- v. M/s. Printwell had printed title pages of notebooks / exercise books / registers exported under the shipping bills as per Annexure - A and total job work charge of Rs. 63,47,206/- was collected from M/s. Nemlaxmi but the entire export value (FOB) of entire notebook/ exercise books/ registers of USD 20,02,272.53 (Total FOB value in Rs.12,16,46,716/-) was claimed under export obligation. Printwell was only 4.27% of total EO Rs. 14,84,98,164/- which was required to be fulfilled.

- vi. M/s. Printwell had obtained a "No Objection Certificate" dated 22.09.2014 wherein M/s. Nemlaxmi had given a declaration that the material exported by them against these 64 shipping bills had been manufactured with the help of the capital goods imported by M/s. Printwell under EPCG authorization No. 2430001677 dated 03.07.2012.
- vii. On the basis of the job worked goods exported by M/s. Nemlaxmi, M/s. Printwell fraudulently obtained EODC/ Redemption letter dated 30.04.2015 from the office of the Joint Director, DGFT, Rajkot.
- viii. Consequent upon initiation of inquiry by DRI, the Deputy Director, DGFT, Rajkot had withdrawn the redemption order dated 30.04.2015 and also placed M/s. Printwell under denied entity list, with direction to file fresh redemption request.
- ix. As per the Order dated 23.03.2016 of Hon'ble High Court, M/s. Printwell was required to fulfil the export obligation in terms of the EPCG scheme authorization granted to them. However, M/s. Printwell had admittedly not fulfilled the export obligation.
- x. The Joint Director, DGFT, Rajkot had communicated clarification of DGFT, HQ, wherein it was clarified that "there is no provision for job work in the FTP 2009-14".
- xi. M/s. Printwell vide their application dated 14.12.2020 to the PRC, DGFT, New Delhi requested to issue proper clarification regarding balance amount of export obligation and requested to grant further period of 4 years for completing of balance export obligation. DGFT, EPCG section, New Delhi vide letter F.No.01/60/162/395/AM-21/PRC/EPCG/25 dated 17.12.2021 to DRI clarified that as the RA had cancelled the EODC issued to M/s. Printwell Offset, the DRI could take further action as they deemed fit.

41. From the records and evidences discussed in the foregoing paras, it appeared that the importer, M/s. Printwell imported the Capital Goods i.e. offset printing machinery as stated above, under Bills of Entry No. 8270493 dated 19.10.12; No. 8288223 dated 22.10.12 and No. 8288712 dated 22.10.12 respectively cleared from Air Cargo Complex, Mumbai and JNCH, Nhava Sheva by availing Customs duty exemption of Rs. 2,47,49,694/- under Customs Notification No.102/2009-Cus dated 11.09.2009 and EPCG Authorisation No. 2430001677 dated 03.07.2012. Therefore, they were required to export goods worth US\$ 2673234.27 or INR 14,84,98,164/- (i.e., 6 times duty saved on Capital Goods) during the export obligation period i.e., 03.07.2012 to 02.07.2018. As per the condition of the EPCG authorization, they were required to manufacture Exercise Books / Notebooks / Writing Pads / Registers / Drawing Books (ITCHS 482020000) and Ruled Paper (ITCHS 48026290) by use of the machinery imported under EPCG scheme and export the same under EPCG scheme, so as to avail the duty exemption under the EPCG authorization and Customs Notification No. 102/2009-Cus dated 11.09.2009. However, M/s. Printwell did not fulfill the conditions.

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH
 SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

42.1. It appeared that M/s. Printwell had failed to fulfill both the block as well as complete Export obligations as required under the EPCG Scheme. The DGFT authorities had clarified that there was no provision for job work under FTP 2009-14. Further, The DGFT, EPCG section, New Delhi vide letter F.No.01/60/162/395/AM-21/PRC/EPCG/25 dated 17.12.2021 clarified that as the RA had cancelled EODC issued to M/s. Printwell Offset, the DRI could take further action as they deemed fit. Hence, the third-party exports fraudulently undertaken by M/s. Printwell through M/s. Nemlaxmi did not qualify towards fulfillment of export obligation in as much as M/s. Printwell had carried out printing job work of only title pages of the exported goods. Hence, eligible export obligation fulfilled by M/s. Printwell was NIL.

42. During the inquiry, it was observed from the statements recorded and documents submitted that M/s. Printwell had printed title pages of notebooks exported by M/s Nemlaxmi and received Rs. 63,47,206/- (i.e., 4.27% of EO stipulated) towards job work charges of title page printing. They did not even purchase papers required for printing of title pages, as the same were supplied by M/s Nemlaxmi. M/s. Printwell had never declared M/s Nemlaxmi as supporting manufacturer in their EPCG authorisation. However, M/s. Printwell claimed to have fulfilled export obligation by declaring the exports made through M/s Nemlaxmi, who was actual manufacturer of the exported goods. M/s Nemlaxmi had issued wrong declaration/ NOC dated 22.09.2014 stating that the exported goods had been manufactured with the help of capital goods imported by M/s. Printwell. In fact, except printing title pages, M/s. Printwell had not undertaken any manufacturing activity on the exported goods. Thus, it appeared that the importer had fraudulently claimed the ineligible third party exports against their Export Obligation and also fraudulently obtained EODC from DGFT authorities.

42.1. Further, Shri Jitendra Jadavbhai Kakadia in his statements dated 22.10.2020 and 18.12.2020 had stated that they only printed title pages of the notebooks (which were printed on imported offset printing machinery) and they did not have facility of ruling the papers of notebooks (i.e., making linings on the notebook papers). However, from the goods exported, as detailed in Annexure-A, it appeared that M/s. Printwell had exported the goods i.e. "Ruled Papers" and claimed for export obligation under EPCG Authorisation, however, 'Ruled Papers' were not manufactured/ processed by the machines imported under EPCG scheme.

42.2. Whereas it appeared that M/s. Printwell entered into collusion with M/s Nemlaxmi to fraudulently fulfil the export obligation by exporting the goods which had no nexus with the machines imported by them under EPCG scheme.

42.3. Therefore, it appeared that the third-party exports of the goods having total FOB value of Rs. 12,16,46,716/- as detailed in Annexure-A was not eligible to the importer under the EPCG Scheme as stated above.

42.4. From the investigation, it appeared that the M/s. Printwell had:

- failed to fulfill export obligation as per the provisions of the EPCG Authorization and Notification No.102/2009-Cus dated 11.09.2009.

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH

b) mis-used the EPCG scheme in as much as they made fraudulent third-party exports of the goods with intention to evade payment of Customs Duty.

42.5. By not fulfilling export obligation and arranging fraudulent third- party exports, M/s. Printwell had grossly misused the EPCG scheme and contravened the provisions of the Foreign Trade Policy, conditions of the EPCG authorization and the Notification No.102/2009-Cus dated 11.09.2009. The acts and omissions on the part of the importer appeared to have rendered the imported machines liable for confiscation under Section 111(o) of the Customs Act, 1962. A Show Cause Notice No. DRI/AZU/JRU/INT-04/2015-16 dated 06.06.2016 had been issued to M/s. Printwell and M/s Nemlaxmi proposing confiscation of the imported machinery.

42.6. From the discussions above, it appeared that M/s. Printwell had failed to fulfill the Export Obligation prescribed under the EPCG Authorization issued to them and also failed to fulfil the conditions stipulated in the EPCG authorization and Customs Notification No.102/2009-Cus dated 11.09.2009. The said third party export of job worked goods were not eligible as fulfillment of export obligation, as clarified by DGFT authorities. The duty leviable / foregone at the time of import on the said capital goods amounting to Rs. 2,47,49,694/- (Rupees Two Crore, Forty Seven Lakhs, Forty Nine Thousand, Six Hundred and Ninety Four Only) (as detailed in Annexure-B attached) might be demanded and recovered along with interest from M/s Printwell Offset under the provisions of Notification No. 102/2009-Cus dated 11.09.2009 read with conditions of the bond and bank guarantee executed by them at the time of importation of capital goods, in as much as M/s. Printwell had failed to comply with the above stated conditions of the said Notification.

43. All the above acts on the part of the importer, M/s Printwell Offset, Rajkot appeared to be in violation of provisions of Section 11 of the Foreign Trade (Development and Regulation) Act, 1992 and Rule 11 & Rule 14 of the Foreign Trade (Regulation) Rules, 1993, the conditions to the EPCG authorization and Notification No. 102/2009-Cus dated 11.09.2009 which mandate fulfilment of export obligation within specified time (block wise) from the date of issuance of EPCG Authorisation or within the extended time period had also been contravened.

43.1. Further, apart from not fulfilling export obligation in respect of the imported machine, it appeared that the importer had resorted to fraudulent claim of export of the goods which were not produced or manufactured by them, which was the primary condition of the EPCG authorization. M/s. Printwell Offset fraudulently declared third party exports of their job worked goods with the third-party exporter i.e. M/s Nemlaxmi, with sole intention to defraud the exchequer by evading the duty.

43.2. The acts and omissions on the part of M/s. Printwell had rendered the capital goods imported under Zero duty EPCG Authorisation liable for confiscation under Section 111 (o) of the Customs Act, 1962. As a consequence, M/s. Printwell also appeared to have rendered themselves liable for penalty under Section 112 (a) & (b) / 114A of the Customs Act, 1962.

43.3. M/s. Printwell entered into collusion with M/s Nemlaxmi and wrongly mentioned EPCG authorization No.2430001677 dated 03.07.2012 in the shipping bills of M/s. Nemlaxmi whereas the exported goods were not manufactured by M/s. Printwell, despite knowing that the goods being exported by third party exports would not qualify as export obligation against EPCG authorization. These acts and omissions on the part of M/s. Printwell rendered the goods exported under Shipping Bills as mentioned in Annexure-A, totally valued at Rs. 12,16,46,716/- liable for confiscation under Section 113 (i) of the Customs Act, 1962 and M/s. Printwell Offset appeared liable to penalty under Section 114 (iii). However, since the goods were exported, they were not available for confiscation.

43.4. M/s. Printwell fraudulently obtained EODC from DGFT authorities on the basis of wrong NOC/ declaration dated 22.09.2014 issued by M/s Nemlaxmi with sole intention to defraud the exchequer. This false declaration on the part of M/s. Printwell appeared to have rendered them liable to penalty under Section 114AA of the Customs Act, 1962.

44. **Shri Jitendra Jadavbhai Kakadia, Partner of M/s. Printwell** obtained EPCG authorization from DGFT, Rajkot in the name of M/s. Printwell Offset and after obtaining the same, he failed to fulfill the export obligation against the import of capital goods under EPCG Authorization. Shri Jitendra Jadavbhai Kakadia had stated in his statement dated 22.10.2020 and 18.12.2020 that he was authorized representative of M/s. Printwell and was responsible for all business activities of the importer firm. He had also admitted that fulfillment of export obligation by printing only title pages on job work and exporting the same through the third-party exporter M/s Nemlaxmi was his decision. He had executed bond before Customs authorities undertaking to fulfill all the conditions. He was aware of the relevant provisions of FTP that as per the said policy and relevant notifications issued by C.B.E.C. (now C.B.I.C.), they had to comply with all the conditions of the said Notifications as well as to fulfill export obligation in terms of the Foreign Trade Policy 2009-2014, within specified period from the date of issuance of EPCG Authorization.

44.1. Shri Jitendra Jadavbhai Kakadia was aware that as per the policy provisions and relevant notifications issued by C.B.E.C. (now C.B.I.C.) they had to fulfill export obligation by exporting the goods manufactured using the capital goods imported under the EPCG scheme by them. Shri Jitendra Jadavbhai Kakadia had also violated the provisions of Section 11 of the Foreign Trade (Development and Regulation) Act, 1992 and Rule 11 & Rule 14 of the Foreign Trade (Regulation) Rules, 1993. Therefore, it appeared that Shri Jitendra Jadavbhai Kakadia, partner of M/s. Printwell had knowingly indulged himself in the act of violation of provisions of Foreign Trade Policy 2009-2014 and conditions imposed under Notification No. 102/2009-Cus., dated 11/09/2009 which rendered the said capital goods imported duty free liable for confiscation under Section 111(o) of the Customs Act, 1962 and therefore had rendered himself liable for penalty under the provisions of **Section 112 (a) & (b) and Section 117** the Customs Act, 1962.

44.2. By arranging fake/ fraud third party exports by declaring the exports of the goods which were not manufactured by them, Shri Jitendra Jadavbhai Kakadia had rendered the said exported goods liable for confiscation under Section 113 (i) and had thereby rendered himself liable for penalty under **Section 114 (iii)** of the Customs Act, 1962. Shri Jitendra Jadavbhai Kakadia masterminded the fraudulent third-party export by way of collusion with M/s. Nemlaxmi and obtained incorrect NOC/ declaration dated 22.09.2014 from M/s. Nemlaxmi. He was very well aware that the goods being exported by them were not manufactured in their factory and therefore did not qualify for exports against EPCG authorization. However, he knowingly and intentionally made false declaration in their application for EODC (ANF-5B). This false declaration on the part of the importer had rendered him liable to penalty under **Section 114AA** of the Customs Act, 1962.

45. **M/s. Nemlaxmi Books (India) Pvt. Ltd**, a third-party exporter, entered into collusion with M/s. Printwell. They were very well aware that M/s. Printwell had carried out only job work process on the title pages sent by them and the notebooks/ exercise books etc. exported by them had not been manufactured by M/s. Printwell. Further, M/s Nemlaxmi also declared EPCG authorization number of M/s. Printwell in their shipping bills of ruled papers, as detailed in Table-1 above, which were not manufactured by M/s. Printwell using the machines imported under EPCG. However, they fraudulently mentioned EPCG authorization number 2430001677 of M/s. Printwell in the shipping bills filed by them and also wrongly issued NOC/ declaration dated 22.09.2014 declaring that the material exported by them had been manufactured with the help of the capital goods imported by M/s. Printwell. In fact, M/s Nemlaxmi had manufactured the exported goods by arranging the said job work of printing the title pages. These acts and omissions on the part of M/s. Nemlaxmi rendered the goods exported under Shipping Bills as mentioned in Annexure-A, totally valued at **Rs. 12,16,46,716/-** liable for confiscation under **Section 113 (i)** of the Customs Act, 1962 and had also rendered themselves liable to penalty under **Section 114 (iii)** and **Section 114AA** of the Customs Act, 1962. However, since the goods are exported, they are not available for seizure.

45.1. M/s Nemlaxmi Books (India) Pvt. Ltd. also assisted and abetted M/s. Printwell in defrauding the exchequer by helping them to fraudulently fulfil the export obligation so as to evade payment of Customs duty on the machines imported under EPCG scheme. This act on the part of M/s Nemlaxmi had rendered the imported machines liable for confiscation under Section 111(o) of the Customs Act, 1962 and thereby made themselves liable for penalty under **Section 112 (a) & (b)** and **Section 117** of the Customs Act, 1962.

46. Shri Vimal Kumar Sekhani, being the Director of M/s. Nemlaxmi, Surat had helped in fraudulently mentioning the EPCG Authorization No.2430001677 of M/s. In fact, M/s Nemlaxmi had manufactured the exported goods by arranging the said job work of printing the title pages only by M/s. Printwell. M/s. WRITTEN SUBMISSIONS

49. M/s. Nemilaxmi Books (India) Pvt. Ltd., made submissions dated 06.05.2019 stating that:

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH
 SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

- In the SCN at para 17 it has been alleged that the noticee has issued a wrong declaration dated 22/09/2014 to M/s. Printwell offset, Rajkot IEC 241012403, stating therein that goods exported under 64 Shipping Bill, were manufactured by M/s. Printwell offset, Rajkot; that there was verbal agreement between noticee and M/s. Printwell offset as prescribed under para 5.10 (d)i) of Hand Book of Procedural 2015-16; that the noticee had given wrong declaration knowingly on the basis of which Print well offset, Rajkot had obtained EODC on misrepresented F.O.B. value of Export. Thus, the noticee has facilitated M/s. Printwell offset, Rajkot in fulfilling the export obligation wrongly, which act of noticee have rendered the offset Printwell Machine value at Rs. 8,83,26,723/- liable to confiscation U/s. 111(o) of the Customs act 1962, and thereby attracted noticee liable for imposition of penalty under Section 112(a) of the Customs Act 1962.
- We hereby submit in defence that the impugned SCN has been issued beyond the limitation period of six months from the date of assessment of Bill of Entry bearing No. 8270493, 8288223 and 8288712, which is dated 19/10/2012, 22/10/2012 and 22/10/2012 respectively as per the provision laid down under Section 28(1)(b) of the Customs Act 1962. Hence six months period is already expired on 22/03/2013 by counting the period from the date of BOE. In the present case SCN cannot be legally issued by invoking the extended period of limitation.
- We submit that E.P.C.G. Authorisation No. 2430001677 dated 03/07/2012 was issued by Jt D.G.F.T., Rajkot to M/s. Printwell offset, Rajkot, in terms of the provisions as laid down under para 5.7.1 of Chapter 5 of Hand Books of procedures, stipulating for the compliance of the conditional specified therein in relation to the terms and condition for fulfilment of export obligation which read as under :-

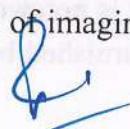

"EPCG Authorisation holder shall export either directly or through third party at the time of export EPCG Authorisation No. and date shall be enclosed on the shipping Bill which are proposed towards discharge of export obligation"

- Thus, it is crystal clear beyond the doubt that only the terms and conditions as stipulated under 5.7.1. of Chapter 5 of Hand Book of procedures for the licensing period of 2009-2014 will be applicable for the compliance to be made as far as the EPCG Authorisation No. 2430001677 dated 03/07/2012 is concerned. Which is dated 03/09/2012, since governed by the provisions as laid down under Hand Books of Procedure in force and in operating for the licensing period 2009-2014 only.
- Para 5.7.1 of chapter 5 of hand Book of procedure for the licensing period 2009-2014 does not talk or stipulate any condition for furnishing the declaration by the main exporter under whose name shipping bill was filed with the customs, which is the subject case matter of the noticee where declaration is required to be issued either in favour of Jt D.G.F.T or addressing the name of the E.P.C.G. Authorisation holder vis-a- vis declaration in question as relied upon by the department to makeout the frivolous show cause Notice.
- In any case however notwithstanding the facts as stated herein above in the foregoing without prejudice it is noteworthy to observe here at this juncture that the declaration dated 22.09.2014 furnished by the noticee and heavily relied upon by the department

- Notification No. 102/2009-Cus dated 11.09.2009 (copy enclosed) contain the definition of manufacture under Sr. No. 5 of explanation attached to the said notification reading as under :- "manufacture has the same meaning as defined in clause (f) of section 2 of the central Excise Act, 1944 where "manufacture" includes any process" incidental or ancillary to the completion of a manufactured product" and the word manufacture, shall be construed accordingly and shall include not only a person who employs hired labour in manufacture of excisable goods but also any person who engages in their manufacture on his own account.
- In accordance with the definition of "manufacture" specified in section 2(f) of the Central excise Act, 1944 implies to mean that even certain manufacturing process carried out by Printwell Offset Rajkot in relation to the completion of manufacturing process of export product by the noticee in its own name would amount to manufacturing operation carried out by Printwell Offset Rajkot by the use of capital goods imported under E.P.C.G. Authorisation No. 2430001677 dated 03/07/2012 to meet and fulfil terms and conditions as laid down under Para 9.12 of the Foreign Trade Policy 2009-2014 for the utilization of the capital goods in the manufacture of export product ultimately and eventually physically exported by the noticee to a foreign country thereby complying with the definition of "capital goods" attached with the aforementioned notification.
- Sr. No.3 of the explanation attached to the aforementioned notification specify Foreign Trade Policy means the Foreign Trade Policy 2009-2014 published vide notification no. 1/2009-2014 dated 27.08.2009 as amended from time to time.
- There is no stipulation either under the provisions of Foreign Trade Policy 2009-2014 or under the hand Book of Procedures 2009-2014 or under the notification no. 102/2009 dated 11.09.2009 or under E.P.C.G Authorisation no. 2430001677 dated 03/07/2012 for the minimum or maximum value addition to be achieved by the E.P.C.G. Authorisation Holder and as such the allegation and charge attempted to be made out by the department by taking the shelter of imposing the condition of "value addition" is not sustainable in law since the same is imaginary, nonexistence and have been created by the D.R.I department themselves on their own without the authority of law.
- Taking into consideration the humble submission as made here in above in the forgoing in totality it is proved beyond any iota of doubt that the noticee has not contravened or violated any provision as contained under Notification No. 1/2009-2014 dated 11.09.2009 as well as the terms and conditions contained under Para 5.7.1 of Hand Book of Procedure the licensing period 2009-2014.
- Thus, there is no collusion or any willful misstatement or suppression of facts on the part of the noticee and therefore five years extended period of limitation will not be applicable in the case of the noticee by any stretch of imagination and in the figment of thought in whatever manner.

- Prior to this clarification by Policy Circular No. 22/2015-20 dated 29/03/2019, there was no clarification for fulfilment of export obligation under EPCG Scheme, in case of third party export. In the present case the period of Shipping Bill pertaining to Financial Year 2013-14, therefore the policy 2009-14 was not clear on this issue.  - The impugned SCN is time barred as issued beyond the normal limitation period of six months as allowed under Section 28 (i) (b) of the Customs Act, 1962.
 - The charges and allegations as attempted to be made out under the impugned SCN are frivolous.
 - The concept of "value addition" is nonexistent, imaginary, fabricated and artificially created by the D.R.I on their own to develop a frivolous case without any authority of law and hence not sustainable in law as devoid of any merit.
 - The impugned SCN dated 06.06.2016 is withdrawn in toto in its entirety by dropping all the charges and allegations as attempted to be made out therein.

49.1. M/s. Nemilaxmi Books (India) Pvt. Ltd. And its director Shri Vimal Kr. Sekhani, made submissions dated 10.09.2024 stating that: -

- We hereby submit that this SCN has been issued U/s-124 r/w sec 143 of customs Act 1962, and both this section is not applicable to co-noticee M/s. Nemilaxmi Books (India) Pvt. Ltd. and its Director Shri. Vimal Kumar Sekhani. Hence this SCN should not be legally considered to be issued to co-noticee. Therefore in absent of any legal notice to co-noticee no penalty under Customs Act 1962, can be imposed.
- On the Co-noticee the main allegation is canvassed at para 44 of impugned SCN. It has been alleged in the notice that M/s. Nemilaxmi has issued declaration/NOC dated 22/09/2014 declaring that the material exported by them have been manufactured with the help of the capital goods imported by M/s. Printwell – Main Noticee. After the investigation it had been found by DRI officers that M/s. Nemilaxmi had exported the note books and Title Cover of Note Book was printed by M/s. Printwell. it should be noted that without title cover Note Books can not be manufactured by M/s. Nemilaxmi. Therefore the NOC/Declaration given by M/s. Nemilaxmi was absolute true and correct and with no-malafide intention. It should also be noted that DGFT had already issued EODC to M/s. Printwell. DGFT, Rajkot had issued EODC, on the basis of Shipping Bills of M/s. Nemilaxmi, after verification of all documents, which was genuine and legal. After issue of EODC Customs department had also release Bank Guarantee to M/s. Printwell. So it can not be assumed that due to acts and

omission on the part of M/s.Nemlaxmi, rendered the goods exported under Shipping Bills as mentioned in Annexure-A to SCN. We further submit that officers of DGFT, Rajkot had issued EODC, after verification of documents and after fulfillment of EO under Foreign Trade Policy, and their competency and knowledge cannot be doubted. There is no allegation in the SCN that M/s. Nemlaxmi had made breach of any provision of FTP or any section of Customs Act. It appears from the allegation in SCN, that first time DRI, Rajkot had raised this issue before DGFT, Rajkot. This issue is completely interpretation of FTP, hence it cannot be said that there was any malafide intention of either M/s. Nemlaxmi or M/s. Printwell to this mis-use the provision of FTP.

- In the impugned SCN, first time issue was raised by DGFT, HQ in the FTP 2009-2014, that there was no provision of job work, as given at para 37 (X) of impugned notice. We hereby submit that M/s. Nemlaxmi had get job work done from M/s. Printwell of cover title for manufacture of Note Books, which has been exported. M/s. Nemlaxmi had followed the notification 214/86 of Central Excise and issued Job Work challan. To follow this process amendment in the EPCG licence of M/s.Printwell is not legally required. In short M/s. Nemlaxmi had followed all the legal provisions of FTP, Customs Act 1962 and Central Excise Act 1944. At clause (a) of para 5.02 of FTP it is mentioned that EPCG scheme covers, manufacturer exporter, with and without supporting manufacturer, and service provider. In this case Printwell was doing jobwork of M/s. Nemlaxmi. It means he was providing service of Jobwork, which is covered in FTP. Considering job challan under notification 214/86, Central Excise, EODC had been issued to M/s. Printwell by DGFT. Now Customs Department cannot raise question on the act of DGFT.
- In this notice it is proposed to imposed penalty U/s-113(i) and U/114(ii) and 114AA and U/s-117 of Act on M/s. Nemlaxmi. We do not reproduce the provision of section because it is given at para 36 of impugned SCN. We submit that no penalty can be imposed SCN. We submit that no penalty can be imposed U/s-113(i) on M/s. Nemlaxmi because the ingrediance of this section is absent in the present case. There is nothing on record that how the value of goods exported, which do not correspond with the value of this Act. Therefore, in absent of any specific allegation U/s-113(i), no specific submission can be made but in absent of any ingrediance of this section, no penalty can be imposed U/s-113(i).
- We further submit that no penalty can be imposed U/s-114(ii) of the Act in the present case. Because note book exported by M/s. Nemlaxmi was exempted goods under Central Excise and not liable to duty. The penalty U/s-114(ii) can be imposed only on dutiable goods and the duty has been determined U/s-28(8) of the Act. But the case of M/s. Nemlaxmi is not covered under this provision, hence no penalty can be imposed U/s-114(ii) of the Act.
- We further submit that no penalty can be imposed on M/s. Nemlaxmi under Section 114A, because there is no issue of short levy of non-levy of duty in the hands of M/s. Nemlaxmi.
- We further submit that no penalty can be imposed U/s-117 of the Act because M/s. Nemlaxmi has not contravenes any provision of this Act or abets any such

contravention or who fails to comply with any provision of this Act with which it was his duty to comply. It should be noted that no duty has been demanded from M/s. Nemlaxmi only it is proposed to impose penalty under various sections of the Act.

- We further submit that no personal penalty can be imposed on Shri Vimal Kumar Sekhani, Director of M/s. Nemlaxmi Books (India) Pvt. Ltd., U/s-114(iii), U/s-114AA and U/s-117 of the Act because no ingrediance of this section is available in the present case for imposition of penalty on the Director of the company.
- We further submit that if the ingrediance for impose of penalty is absent in the present case than no penalty should be imposed, after judiciously verification of documents, submission and fact of the case. If any penalty is proposed in SCN, then it does not mean that Adjudicating Authority must impose penalty. He should apply his own knowledge and with judicious analysis he can drop the proposal of imposing of penalty.
- We would like to be heard personally before the adjudication of this case.

49.2. M/s. Nemilaxmi Books (India) Pvt. Ltd. And its director Shri Vimal Kr. Sekhani, made submissions dated 05.10.2024 stating that :-

- For the above mentioned SCN, we have already sent our defense reply dated 10.09.2024 vide speed post.
- Against the letter of P.H. we are submitting our written submission in addition to defense Reply.
- We are the Co-noticee in this case, and we are third party exporter. There is no dispute that we had followed all the provisions of Customs Act 1962 as well as the provision and procedure of Foreign Trade Policy. In this SCN, it is proposed to impose penalty under various section of the Customs Act 1962.
- We hereby submit that it was held in the case of **M/s. Tetra Pack Vs. CC 2005 (190) ELT 257(CESTAT)** that Customs notification have to be interpreted keeping the provisions of FTP in mind. In this case main noticee had submitted all documents with DGFT Rajkot and DGFT, Rajkot had issued EODC against EPCG licence. It is settled position of law that One licence is generated or EODC is issued by licencing authority then the Customs authorities cannot refuse on an allegation that there was misrepresentation as held in the case of **M/s. Titan Medical System Vs. CC 2003 (151) ELT 254 (SC.)**
- In this case it is proposed to impose penalties under various section on co-noticee. It is the general rule that penal statute pre-supposes *mens-reæ* element. The principle is based on the maxim 'actus non facit reum mens sit rea'. i.e. an act is not criminal unless there is criminal intent. – T N Lakshmaiah V. State of Karnataka 2001 (7) SCALE 256.
 - State of mind (culpable mental state) like intention, motive, knowledge of a fact or belief in a fact or reasons to believe in facts are difficult to prove. Section 138A of Customs Act, therefore, provides that such mental state shall be presumed by Court. Prosecution (here the customs department) need not prove the guilty state of mind of the accused. If the accused claims that he did not have guilty mind, he has to prove the same. In legal terminology it is

explained as “burden of proof regarding nonexistence of ‘**Mens rea**’ is on the accused”. This proof has to be **‘beyond reasonable doubt’**.

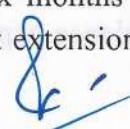

- We further submit that considering the fact of the case and our submission no penalty should be imposed U/s-114(iii), U/s-114AA and U/s-117 of Customs Act 1962.
- We would like to be heard personally before the adjudication of the matter.

49.3. M/s. NAMILAXMI Books (India) Pvt. Ltd. And its director Shri Vimal Kr. Sekhani, made submissions dated 17.10.2024 stating that: -

- In this matter the main party is M/s. Printwell Offset, Rajkot and above mentioned both the party is Co-noticee. In the SCN it is proposed to confiscate goods and impose penalty under various section of Customs Act 1962.
- We have already submitted our reply vide letter dated 10/09/2024 and 05/10/2024. We had submitted our VAKALATNAMA vide letter dated 09/09/2024. In the defence reply we have submitted that we had exported note Books/Exercise Book/Writing Pads/Registers/Drawing Books, and Title Print (of first and last page) was printed by M/s. Printwell, Rajkot on job work basis. For Printing the TITLE Print by M/s. Printwell Rajkot had used imported Machinery. On their request we had issued NOC dated 22/09/2014 to M/s. Printwell, Rajkot.
- We further submit that goods can not be confiscated U/s-113(i) of Act, because same are not available and already exported. Further provision of Section 113(i) can be invoked only when any goods entered for exportation not corresponding in respect of value or any other particulars in shipping bill or declaration of contents Baggage. But there is no ingredient in SCN, to invoke provision of Section 113(i) of Customs Act 1962. We further rely on the judgment of M/s. Ramayan Impex Vs. C.C. 2005 (189) ELT 446 (CESTAT), Hence goods can not be confiscated U/s- 113(i) of Customs Act 1962.
- We further submit that in absence of mens-rea and any ingredient of Section 114(iii), Section 114AA and Section 114 of the Customs Act, 1962 no penalty should be imposed on both co-noticee.
- We do not want any further personal hearing.

49.4. M/s. Printwell Offset, made submissions dated 07.01.2023 stating that: -

- M/s. Printwell at the very outset submits that the said allegations are totally baseless and contrary to the provisions of the Hand Book of Procedure as stood at the material time i.e. the said authorization was issued under Foreign Trade Policy and Hand Book of Procedure - 2009-2014. Even allegations of violation of condition No. 9 of the Notification No. 102/2009-Cus. the Principal Commissioner or Commissioner of Customs, therefore, goods are required to be returned to M/s. - M/s. Printwell before making submission on legal points submits that it had printed cover pages of exercise note books for M/s. Nemlaxmi Books (India) Pvt. Ltd., Surat (Hereinafter referred to as "M/s. Nemlaxmi") and M/s. Nemlaxmi had used those note books covers for manufacture of Exercise Books which were exported by M/s. Nemlaxmi with mention of name of M/s. Printwell and its authorization No. 2430001677 in 64 Shipping Bills and fulfilled the export obligations. It is not matter of dispute that M/s. Nemlaxmi has never availed any benefit of EPCG against the same shipping bills based on which Redemption/EODC was issued to M/s. Printwell. It is admitted facts on record that Redemption Letter (EODC) against the said authorization No. 2430001677 was issued from F. Hereto annexed and marked as Exhibit - II is the copy of Redemption/EODC letter dated 30.04.2015 (RUD 01 Annexure - A to the SCN Page - 8).
- M/s. Printwell submits that at the behest of the DRI officers the Dy. DGFT, Rajkot vide interim order File No. 24/21/021/00044/AM13 dated 02.12.2015 inter alia withdrawn redemption issued on 30.04.2015. (RUD Sr. No. 4 of Annexure - A to the SCN - Page 17).
- M/s. Printwell submits that the said Dy. DGFT, Rajkot while passing Order-in-Original File No. 24/21/021/00044/AM13 dated 28.07.2016 subsequent to said interim order passed following order inter alia holding at para 16 that

"The notice (it should be noticee) has done Third Party exports with value addition in the export products is 4.27% so this case shall be referred to Directorate General of Foreign Trade, New Delhi for Foreign Trade Policy (2009-15) clarification whether full export value of the exported products should be considered under Export Obligation or corresponding value addition of 4.27% should be considered under Export Obligation."

Hereto annexed and marked as Exhibit - III is the copy of Order-in-Original dated 28.07.2016.

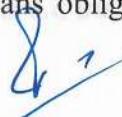

- M/s. Printwell most respectfully submits that it clearly reveals from the above that even the Dy. DGFT was no sure whether export obligations were rightly discharged or otherwise. Therefore, interim order for withdrawal of redemption dated 30.05.2015 was totally erroneous and without any authority at all as well as even beyond his jurisdiction as per para 2.3 of the FTP and Section 16 of the Foreign Trade (D & R) Act, 1992 as such review of any decision power lies with Director General.
- M/s. Printwell most respectfully submits that till date the proper officer of the DGFT, Rajkot has neither communicated decision of the Director General nor determined balance value of export obligations to be made that too with extension of time limit for discharge of balance export obligations if any had made reference in this regard

- Thus, in view of the admitted facts on record it is not finalized whether export obligation fulfilled by M/s. Printwell was complete and correct or any shortfall is there. Therefore, in absence of final decision in the matter and during the pendency of decision including if any shortfall for extension of time limit for fulfillment of balance export obligations, it will be premature to decide present SCN and held that goods are imported under EPCG is liable to confiscation under Section 111(o) of the Customs Act, 1962 and any penal consequences thereto. Therefore, it is prayed that not to pass any adverse order in the matter till decision of DGFT in the matter.
- M/s. Printwell most respectfully submits export obligation fulfilled by taking FOB value of goods exported by third party was correct as per the FTP and HBP provisions as stood during 2009-2014. As exports were made between 12.07.2013 to 11.04.2014 and EODC was issued on 30.04.2015.
- M/s. Printwell most respectfully invite kind attention of your honour that according to DRI as per the provisions of Para 5.10(d) of HBP 2015-20 relating to third party exports, value of Covers which were printed by it with the help of imported machines under EPCG have to be taken while computing export obligation and not entire value of note books. Notebooks/ exercise books inner pages were printed by M/s. Nemlaxmi and outer cover were printed by it. It is admitted fact on record that the goods were exported by M/s. Nemlaxmi. While applying for export obligation discharge certificate, it had considered entire value of notebooks as per the existing provisions of FTP i.e. prior to 01.04.2015. In its humble views the said provisions of para 5.10(d) of HBP 2015-20 were applicable to third party exports made on or after 01.04.2015 only. Since, such exports were made prior to 01.04.2015 same are governed by the provisions of earlier relevant policy/ procedure as clarified by Directorate General of Foreign Trade vide Policy Circular No. 3/2015-20 dated 02.09.2015. Hereto annexed and collectively marked as Exhibit - V are copies of Chapter - 5 of Foreign Trade Policy, 27.08.2009 to 31.03.2014 effective from 05.06.2012 issued under Notification No. 1(RE-2012)/2009-2014 dated 05.06.2012, Chapter - 5 of Handbook of Procedures (Vol. I) 27.08.2009 to 31.03.2014 effective from 05.06.2012 issued under Public Notice No. 1(RE-2012)/ 2009-2014 dated 05.06.2012, Handbook of Procedures (01.04.2015 to 31.03.2020) vide Public Notice No. 1/2015-2020 dated 01.04.2015 (Para 10) and Policy Circular No. 3/2015-20 dated 02.09.2015.
- Therefore, in its humble submissions revocation of EODC based on the interpretation made by the DRI is not in consonance with the provisions of the policy.
- M/s. Printwell most respectfully further submits that the Policy no where provides on the valuation aspect especially value addition for the purpose of counting export obligations etc. Your honour is also aware with the fact that paragraph 14 - Details of Physical Exports ... of ANF 5B provides in column No. 3 FOB read with remarks bearing ++ "Only export/...../capable of being made/.... out of capital goods imported under the Authorisation for discharge of export obligation imposed on the Authorisation and export proceeds realized to be included." and as per paragraph 7 read with Explanation (2) "Export Obligation" means obligation on the importer to

export to a place outside India, goods manufactured or capable of being manufactured by the use of capital goods imported in terms of this notifications..... Hereto annexed and marked as Exhibit - VI is the copy of ANF 5B as filed before the Jt. DGFT, Rajkot for EODC.

- M/s. Printwell submits that thus, on harmonious reading of FTP as well as notification No. 102/2009-Cus. dated 11.09.2009, goods capable of being manufactured with the help of the imported goods can be exported through third party and there is no need of manufacture of goods with the help of the capital goods. In the instant case it is not matter of dispute that exercise books etc. exported can be manufactured with the help of the capital goods.
- M/s. Printwell submits that since, FTP, HB and notification issued by Customs etc. are nowhere provide that value equal to goods manufactured with the imported capital goods is to be taken as export obligation and not the FOB value of goods exported under claim of EPCG Benefits, in view of the above provisions, value of third party have to be considered towards export obligation. **It is also fact that third party has not availed any benefit of export against any EPCG license.** Without admitting anything but for the sake of argument it is assumed that goods manufactured by importer is sold to third party at the rate Rs.100 and third party exports it at the rate of Rs.200, which value is required to be taken as 50% value addition is made by the third party. There is no prohibition of value addition by third party in the any of the provisions.
- M/s. Printwell without prejudice to the above further submits that it had manufactured title cover pages of exercise books so as to complete the manufacture of exercise note book and as per the provisions of Explanation 5 to the Notification No. 102/2009-Cus. dated 11.09.2009 for the purpose of said notification "manufacture" has same meaning as defined under Section 2(f) of the erstwhile Central Excise Act, 1944. As per Section 2(f) ibid manufacture any process incidental or ancillary to the completion of manufactured product. Thus, it has to be construed that notebooks exported through third party were manufactured by it only.
- M/s. Printwell submits that when exports made through the third party value for the purpose of computing export obligation is to be taken FOB value realized by the third party as per para 5.5 of FTP 2009-2014 read with para 5.7 of HBP 2009-2014 as stood at the material time (exports were made between 12.07.2013 to 11.04.2014) read with Policy Circular No.3/2015-20 dated 02.09.2015 and not in terms of Para 5.10(d) of HBP 2015-2020.
- M/s. Printwell further submits that allegations of not fulfilled conditions of clause (i) to iii) of Para 5.10(d) of HBP-2015-2020 are also contrary to said circular and not required to be fulfilled at all for the export made prior to 01.04.2015.
- M/s. Printwell in view of the above submits that in its humble submissions in absence of such specific provisions about value to be adopted for the purpose of computing export obligation through third party exports under the HBP-2009-2014 i.e. only value of goods supplied by authorization holder, FOB value realized by the third party have to be considered especially when the third party has not availed any benefit of such export under para 5.5 of FTP.

SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

- M/s. Printwell in view of the above further submits that it has not violated condition No. 9 of Notification No. 102/2009-Cus. Dated 11.09.2009 as the said condition nowhere provides as alleged in the SCN that export obligation cannot be discharged by showing entire value of note book. In any case it had fulfilled export obligation well before the stipulated time limit and evenafter withdrawal of EODC there is no decision on para 16 of Order-in-Original dated 28.07.2016. Even DRI has not issued any Show Cause Notice demanding Customs Duty which was foregone at the time of import. Thus, as on today it is not the case of the department that export obligations are not fulfilled. Therefore, goods are not liable to confiscation under Section 111(o) of the Customs Act, 1962 and there cannot be any consequential penalty too.
- M/s. Printwell therefore in view of the above submits that goods are not liable to confiscation not to speak of under clause (o) of Section 111 of the Customs Act, 1962 as there is no violation of any of the conditions of notification not to speak of condition No. 9 in view of the above detailed submissions.
- M/s. Printwell further submits that once it is held that goods are not liable to confiscation under Section 111(0) of the Customs Act, 1962, no penalty is imposable under Section 112 (a) of the Customs Act, 1962.
- M/s. Printwell without admitting anything further submits that for the sake of argument it is presumed that penalty can be imposed even then as per Section 112(a) (ii) ibid such penalty can be not exceeding ten percent of duty sought to be evaded or five thousand rupees, whichever is higher. In the instant case, till date there is no demand of duty from M/s. Printwell nor any allegation of evasion of duty of customs, therefore, at the most maximum penalty imposable upon it comes to Rs. 5,000/- only.
- M/s. Printwell without admitting anything and without prejudice to submission made in para supra most respectfully submits that seized goods (Provisionally released on execution of bond and bank guarantee) are required to be released unconditionally on the following grounds:
 - M/s. Printwell submits that goods were seized on 08.12.2015 under Section 110 of the Customs Act, 1962 and as per sub-section (2) of Section 110 of the Customs Act, 1962, where any goods are seized and no notice is given within six months of the seizure of the goods, the goods shall be returned to the person from whose possession they were seized. It further provides that the said period of six months may, on sufficient cause being shown, be extended by the Principal Commissioner of Customs or Commissioner of Customs for a period of not exceeding six months.
 - In the instant case SCN dated 06.06.2016 was given on 18.07.2016 by speed post to M/s. Printwell. Therefore, same was not given within six months of the seizure, nor any extension of further six months has been granted by the Principal Commissioner or Commissioner. Therefore, as per said provisions of sub-section (2) of Section 110 ibid and settled position of law by various decisions amongst other following decisions of apex court including constitution bench of the Apex Court that goods are required to be returned unconditionally.

**ASSISTANT COLLECTOR OF CUSTOMS AND SUPERINTENDENT,
 PREVENTIVE SERVICE CUSTOMS, CALCUTTA AND OTHERS Versus
 CHARAN DAS MALHOTRA - 1983 (13) E.L.T. 1477 (S.C.)**

Seizure - Extension of period for retention of seized goods cannot be granted without sufficient cause and without an opportunity of being heard to the person whose goods are seized - Proviso to Sections 110(2) and 124 of the Customs Act, 1962 - Scope.

Since sub-section (2) of Section 110 of the Customs Act contemplates some sort of enquiry, therefore, the Collector is expected not to pass extension orders mechanically or as a matter of routine but only on being satisfied that there exists facts which indicate that the investigation could not be completed for bona fide reasons within the time laid in Section 110(2) and extension of the period has become necessary. Therefore, the words 'sufficient cause being shown' in Section 110(2) must mean that the Collector must determine on materials placed before him that they warrant extension of time. Therefore, there is no question in such cases of the subjective satisfaction of the collector because what he is asked to do by the proviso is to determine that the cause shown before him warrants an extension of time. Hence, it is difficult to comprehend how he can come to this determination unless he has before him the pros and cons of the matter because ex parte determination by the Collector would expose his decision to be one sided and based on incorrect statement of facts. Therefore, the power under the proviso to Section 110 of the Customs Act, 1962 are not to be exercised without an opportunity of being heard given to the person from whom the goods were seized. [paras 12 to 15]

Seizure - Distinction between Section 110(1) and Section 110(2) of the Customs Act, 1962.

- It will be noticed that whereas sub-section (1) of Section 110 uses the expression "reason to believe" for enabling a Customs officer to seize goods, the proviso to sub-section (2) uses the expression "sufficient cause being shown". Thus, sub-section (1) does not contemplate an enquiry at the stage of seizure, the only requirement being the satisfaction of the concerned officer that there are reasons to believe that the goods are liable to confiscation by reason of the illegal importation. It is, therefore, clear that in view of words 'sufficient cause being shown' in Section 110(2), the legislature did not intend to give the Collector the same power for extension of time. (para 13)

Seizure - Burden of proof is on the Customs Officer who extends time for retention of the seized goods - Section 110 of the Customs Act, 1962.

- If the investigation could not be completed for bona fide reasons within the time laid down in Section 110(2) and the extension of period became necessary, the burden of proof is clearly on the Customs Officer applying for extension and not on the person from whom the goods are seized. (para 12)

Judicial function and administrative function - Distinction between.

- The dividing line between judicial and administrative functions is thin and gradually evaporating and the functions performed by those doing judicial and administrative functions have the same object, namely, to do justice and deciding the question fairly and justly where the rights of citizens are affected to their prejudice. In the former

case, there would be express rules of procedure but the object of these rules is only to enable or facilitate to decide fairly and justly. [para 14]

Seizure - Two extensions granted for retention of goods - Whether opportunity of being heard should be given to both extensions? - Proviso to Section 110(2) of the Customs Act, 1962 - Scope.

- Since the power of extension was quasi-judicial and required judicial approach and would deprive the person from whom the goods are seized of the right to have the goods restored to him on the expiry of six months from the date of seizure, the opportunity of being heard must be given before passing an order in both the cases. (para 16)

I.J. RAO, ASSISTANT COLLECTOR OF CUSTOMS Versus BIBHUTI HUSHAN BAGH - 1989 (42) E.L.T. 338 (S.C.)

Seizure - Confiscation proceeding - Extension of six months period for retention of seized goods cannot be granted without notice and hearing to the person from whom goods seized - Notice to be issued before expiry of period - Damage or injury likely to be caused by extension to be considered - Such person not entitled to know about the nature and course of investigation process - When service of notice evaded, Collector can extend original period and thereafter to afford a post decisional hearing to determine whether extension is to be cancelled or not - Words and Phrases - "Sufficient cause being shown" - Meaning of - Section 110(2) and 124(a) of the Customs Act, 1962 and applicable to Central Excises by virtue of Section 12 of the Central Excises and Salt Act, 1944 - Rule 200 of the Central Excise Rules, 1944.

- Section 110(2) of the Customs Act, 1962 provided that the seized goods are to be returned if no notice for confiscation or penalty is issued under Section 124 of the Customs Act, 1962 within 6 months which period can further be extended by Collector "on sufficient cause being shown". There is no doubt that the words "on sufficient cause being shown" in the proviso to Section 110(2) of the Act indicates that the Collector of Customs must apply his mind to the point whether a case for extending the period of six months is made out or not. What is envisaged is an objective consideration of the case and a decision to be rendered after considering the material placed before him to justify the request for extension. The Customs Officer concerned who seeks the extension must show good reason for seeking the extension for the reason that the investigation is still not complete and it cannot yet be said whether a final order confiscating the goods should be made or not. As more time is required for investigation, he applies for extension of time. The Collector must be satisfied that the investigation is being pursued seriously and that there is need for more time for taking it to its conclusion. The question is whether the person claiming restoration of goods is entitled to notice before time is extended. The right to notice flows not from the mere circumstance that there is a proceeding of a judicial nature, but indeed it goes beyond for the reasons that right of a person are likely to be prejudicially effected, he is entitled to an opportunity to put forward his case. Therefore the person from whose possession the goods have been seized is entitled to notice of the proposal before the Collector for the extension of the original period of six months mentioned in Section 110(2) of the Customs Act, 1962 and he is also entitled to be heard upon

such proposal but subject to the restriction that he is not entitled to information as to the investigation which is in process because there can be no right in any person to be informed midway, during an investigation of the material collected in the case against him and moreover there is need for maintaining confidentiality of the investigation proceedings. However, such person from whom goods have been seized can set up a case for the damage, injury or hardship that is likely to be caused to him because of the extension. Such damage, injury or hardship may be the need for immediate possession having regard to the nature of seized goods or critical market conditions, or that the goods are required urgently to meet an emergency in relation to a vocational or private need etc. In the normal course such notice for extension must go to such person before the expiry of the original period of six months but where the service of the notice is evaded it would be open to the Collector to grant extension if he is satisfied that there is a sufficient cause and thereafter when notice is served on the person concerned to afford a post decisional hearing to him in order to determine whether the order of extension should be cancelled or not - 1983 (13) E.L.T. 1477 (S.C.) and 1983(13) E.L.T. 1520 (S.C.) considered. HARBANS LAL VERSUS COLLECTOR OF CENTRAL EXCISE & CUSTOMS - 1993 (67) E.L.T. 20 (S.C.)

Seizure - Show cause notice - Seized goods required to be returned to the owner unless show cause notice issued within six months - Ex parte order extending the period for issue of show cause notice vitiated - Sections 110 (2) and 124 of Customs Act, 1962 - Sections 110(2) and 124 ibid as made applicable to Central Excise under Section 12 of Central Excises and Salt Act, 1944 - Rule 233A of Central Excises Rules, 1944.

- Unquestionably thus is the settled position of law that while extending time under Section 110(2), the owner of the seized goods is entitled to notice, because the seized goods on the expiry of period of six months are required to be returned to him, and if that period was to be extended for another period of six months he had the right to be heard. The High Court in the decision under appeal has thus rightly observed that it was not disputed before it that the ex parte order extending the time by another six months as postulated in Sections 110(2) and 124 of the Act, was vitiated. (para 7)

Seizure - Show cause notice if not issued within six months seized goods to be returned but confiscation and penalty imposable - Sections 110 and 124 of Customs Act, 1962 are independent, distinct and exclusive of each other - Show cause notice under Section 124 survives even if seized goods are returned or returnable to their owner in non-issue of notice in time - Sections 110 and 124 ibid as made applicable to Central Excise under Section 12 of Central Excises and Salt Act, 1944 - Rule 233A of Central Excise Rules, 1944.

- The ratio of this Court afore-quoted in Charandas Malhotra's case, thus settles the question afore-posed and the answer is that these two Sections 110 and 124 are independent, distinct and exclusive of each other, resulting in the survival of the proceedings under Section 124, even though the seized goods might have to be returned, or stand returned, in terms of Section 110 of the Act, after the expiry of the

UNION OF INDIA Versus KAMLAKSHI FINANCE CORPORATION LTD. - 1991 (55) E.L.T. 433 (S.C.)

Strictures passed by Bombay High Court against two Assistant Collectors for flouting of Collector Appeals' order on classification based on a Tribunal judgment against which department had gone in appeal to Supreme Court) upheld by Supreme Court - Department directed to pay utmost regard to judicial discipline and give effect to orders of higher appellate authorities which are binding on them.

- The learned Additional Solicitor General submits that the learned Judges have erred in passing severe strictures /1990 (47) E.L.T. 231 (Bom.) against the two Assistant Collectors who had dealt with the matter. He submitted that these officers had given reasons for classifying the goods under Heading 39.19 and not 85.46 and could do no more. He submitted that they acted bona fide in the interests of Revenue in not accepting a claim which, they felt, was not tenable. Sri Reddy is perhaps right in saying that the officers were not actuated by any mala fides in passing the impugned orders. They perhaps genuinely felt that the claim of the assessee was not tenable and that, if it was accepted, the Revenue would suffer. But what Sri Reddy overlooks is that we are not concerned here with the correctness or otherwise of their conclusion or of any factual mala fides but with the fact that the officers, in reaching their conclusion, by-passed two appellate orders in regard to the same issue which were placed before them, one of the Collector (Appeals) and the other of the Tribunal. The High Court has, in our view, rightly criticised this conduct of the Assistant Collectors and the harassment to the assessee caused by the failure of these officers to give effect to the orders of authorities higher to them in the appellate hierarchy. The impression or anxiety of the Assistant Collector that, if he accepted the assessee's contention, the department would lose revenue and would also have no remedy to have the matter rectified is also incorrect. Section 35E confers adequate powers on the department in this regard. In the light of these amended provisions, there can be no justification for any Assistant Collector or Collector refusing to follow the order of the Appellate Collector or the Appellate Tribunal, as the case may be, even where he may have some reservations on its correctness. He has to follow the order of the higher appellate authority. This may instantly cause some prejudice to the Revenue but the remedy is also in the hands of the same officer. He has only to bring the matter to the notice of the Board or the Collector so as to enable appropriate proceedings being taken under Section 35E(1) or (2) to keep the interests of the department alive. If the officer's view is the correct one, it will no doubt be finally upheld and the Revenue

will get the duty, though after some delay which such procedure would entail. It is clear that the observations of the High Court, seemingly vehement, and apparently unpalatable to the Revenue, are only intended to curb a tendency in revenue matters which, if to become widespread, could result in considerable harassment to the assessee-public without any benefit to the Revenue. We would like to say that the department should take these observations in the proper spirit. The observations of the High Court should be kept in mind in future and utmost regard should be paid by the adjudicating authorities and the appellate authorities to the requirements of judicial discipline and the need for giving effect to the orders of the higher appellate authorities which are binding on them. [paras 5-8]

Precedent - Principles of judicial discipline - Orders passed by Collector (Appeals) and Tribunal binding on all adjudicating and appellate authorities within their respective jurisdiction.

It cannot be too vehemently emphasised that it is of utmost importance that, in disposing of the quasi-judicial issues before them revenue officers are bound by the decisions of the appellate authorities. The order of the Appellate Collector is binding on the Assistant Collectors working within his jurisdiction and the order of the Tribunal is binding upon the Assistant Collectors and the Appellate Collectors who function under the jurisdiction of the Tribunal. (para 6)

Precedent - Principles of judicial discipline - Revenue to unreservedly follow appellate authority's order unless operation thereof suspended by a competent Court - Mere fact of appeal having been filed against the order no ground for not following it. The principles of judicial discipline require that the orders of the higher appellate authorities should be followed unreservedly by the subordinate authorities. The mere fact that the order of the appellate authority is not "acceptable" to the department - in itself an objectionable phrase - and is the subject-matter of an appeal can furnish no ground for not following it unless its operation has been suspended by a competent Court. If this healthy rule is not followed, the result will only be undue harassment to assessee and chaos in administration of tax laws. (para 6)

Tapes - Electrical insulation tapes classifiable under Heading 85.46 and not under Heading 39.19 of Central Excise Tariff Act, 1985 - Tribunal's judgment having attained finality at Supreme Court's level.

We are not called upon to enter into the merits of the classification in the present case except to observe that the decision of the Tribunal in the case of M/s. Chetna Polycoats Put.  SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

Kind attention is invited to the order of Hon'ble High Court of Gujarat at Ahmedabad in case of M/s. E.I. Dupont India Put. (hereinafter referred to as M/s. Dupont) in Special Civil Application No. 14917 to 14921 of 2013 dated 25-10-2013 (2013-TIOL-1172- HC-AHM-CX = 2014 (305) E.L.I. 282 (GuJ.). M/s. Dupont had filed appeal before the Hon'ble High Court against rejection of a refund claim on an issue which had earlier been decided by the Hon'ble High Court against the revenue, though in a matter relating to a different assessee. Thus for deciding the refund, a binding precedent judgment existed.

2. However the binding precedent was not followed which led to litigation before the Hon'ble High Court to which Hon'ble High court took a serious view. It may be noted that on the subject of consequential refund, where the department has gone in appeal there already exists a Circular No. 695/11/2003-CX., dated 24-2-2003/2003 (152) E.L.T. (T42)). This circular of the Board is binding on all field officers. Had this circular been followed in the case, unnecessary litigation as well as adverse observation of the Hon'ble High Court could have been avoided. This circular is once again brought to the notice of field officers with direction that it is followed scrupulously.

3. The judgment of Hon'ble High Court in M/s. Dupont case (supra) under reference may be perused by the field officers for complete understanding of the issues involved and directions of the Hon'ble High Court on need to follow judicial discipline. Judgment of the Hon'ble Supreme Court in case of Union of India v. Kamlakshi Finance Corporation Ltd. (1991 (55) E.L.T. 433 (S.C.) = 2002-TIOL- 484-SC-CX-LB) may also be perused as this is an authoritative pronouncement on the issue and has also been cited by the Hon'ble High Court.

4. The contents of this instruction may be brought to the notice of all adjudicating authorities under your jurisdiction with direction to follow the same scrupulously.

- M/s. Printwell without admitting anything further submits that though two proviso are inserted under sub-section (2) of Section 110 of the Customs Act, 1962 with effect from 29.03.2018 by Section 92 of the Finance Act, 2018, however same cannot be applied to the goods seize on 08.12.2015 and provisionally released on execution of bond duly supported by Bank Guarantee which are accepted on 27.04.2016 as one year time limit was expired before such provisions were inserted.
- M/s. Printwell in view of the above most respectfully prays to drop the proceedings initiated under the impugned show cause notice in the interest of justice.
- M/s. Printwell craves leave to add to, alter or delete any of the submissions before or during the course of hearing.
- M/s. Printwell wishes to be heard in person before any adverse decision in the matter.

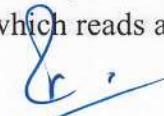

49.5. M/s. Printwell Offset, made submissions dated 01.10.2024 stating that:

- Please refer to above cited application dated 30.10.2020 made before Hon'ble PRC submitted online on 03.11.2020 (Running into Page 1 to 130), which includes additional submissions in the matter at page 12 to 18 with all exhibits. SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

- The said application was physically submitted on 14.12.2020 with a copy to Lt. DGFT, Rajkot. Acknowledged copy of the letter with Receipt issued by your office is also once again enclosed.
- FTDO, DGFT, New Delhi vide Email dated 23.01.2023 (epcg-dgft@gov.in) with reference to our said representation/ application dated 14.12.2020 followed by reminders by emails dated 04.01.2022, 16.09.2022 and 18.10.2022 inter alia informed that documents regarding what kind of third party export have been made nor documents related to third party exports are submitted.
- Which was replied by email dated 09.05.2023, followed by reminder dated 21.07.2023. Copies of the said two emails are enclosed.
- We have vide our letter dated 06.09.2024 addressed to the Lt. DGFT, Rajkot with a copy to your office sent by email dated 06.09.2024 sent the reminder in the matter.
- In this matter your kind attention is invited toward order F. No. 24/21/021/00044/AM13 dated 28.07.2016 which has created the present situation and cause of concern wherein the leaned Dy. DGFT had ordered at para 15 page 4 that *"The noticee has done third party exports with value addition in the export product is 4.27% So this case shall be referred to Directorate General of Foreign Trade, New Delhi for Foreign Trade Policy (2009-2015) clarification whether full export value of the exported products should be considered under Export Obligation or corresponding value addition of 4.27% should be considered under Export Obligation."*
- We have not received any reply in this regard till date. In absence of reply we are helpless not sure whether Export Obligation Discharge Certificate already issued was correct of we have to fulfill balance export obligations if any. In absence of any reply and response, our license dated 03.07.2012 wherein EODC was issued on 30.04.2015 and withdrawn on 02.12.2015 is expired on 02.07.2018.
- In our humble view we have rightly fulfilled export obligations through third party exports in view of the policy prevailing at the material time viz. FOB value of the third party exports are to be taken upon for computing EO for EPCG Authorisation issued under FTP 2009-14 as provided under 5.5 of FTP read with Para 5.7 of HBP of 2009-14.
- Even as per Policy Circular No. 3/2015-20 dated 02.09.2015 that provisions of para 5.10(d) of HBP 2015-20 shall be applicable to third party exports made on or after 01.04.2015 (even in respect of exports made under EPCG authorizations issued prior to 01.04.2015). Third party exports which have been made prior to 01.04.2015 will be governed by the provisions of relevant policy/procedure. In our case export obligations were discharged during 12.07.2013 to 11.04.2014 and last shipping bill was of dated 11.04.2014. It is worth to mention that the said third party has not availed any benefit against the said shipping bills for capital goods under EPCG except benefit DFIA etc. which were permissible under the FTP/HBP as stood at the material time. So, its case is fully covered by the said erstwhile FTP 2009-14 as per the said Circular dated 20.09.2015.
- In this regard your kind attention is also invited subsequent Policy Circular No. 22/2015-20 dated 29.03.2019 especially para 3 and 4 which reads as under:

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH
 SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

" 3. It is clarified that the amendment to para 5. 10(c) of HBP 2015-20 shall be applicable to third party exports made on or after 05.12.2017. Third party exports which have been made prior to 05.12.2017 will be governed by the provisions of the relevant policy/ procedure.

4. Accordingly, in the case of third party exports, holder can count till 04.12.2017 the full realized value of the shipping bill towards fulfillment of export obligation subject to counting of exports only once towards the EPCG obligation and maintenance of Average Export Obligation."

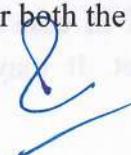

- Therefore, it is once again prayed that EODC dated 30.04.2015 may be restored at an early date.
- It may please be appreciated that it is admitted fact on record that we have already fulfilled export obligations in the manner clarified by the said two circulars. In any case evenafter said two circulars if the department is not agreed with our submissions, alternatively we are ready to fulfill balance export obligation which may be determined by the department as stated in earlier representation read with para 16 page 4 of Order dated 28.07.2016. Therefore, it is once again prayed that either EODC may be restored or exact balance export obligation to be fulfilled may be determined and extension may be grated for the same.
- Now, the Commissioner of Customs, NS-II, JNCH, NhavaSheva has issued SCN No. 572/2024-25/CC/EPCG/NS-22/ CAC/JNCH dated 20.06.2024 issued from F. No. DRI/AZU/JRU/INT-03/2015/716 S/ 26-Misc-06/2024-25/EPSMMC, copy of the same is already submitted to Rajkot office on 02.09.2024. Now, the Commissioner has fixed 2nd personal hearing in the matter on 17.10.2024 in the said SCN. Copy of hearing letter dated 19.09.2024 is also enclosed.
- We most respectfully further submit that it may please be appreciated that Order F.No. 24/21/021/00044/AM13 dated 02.12.2015 passed by the learned Dy. DGFT, Rajkot withdrawing redemption issued on 30.04.2015 was beyond his jurisdiction as review of any order under Section 16 of the FDRA, 1992 is with only Director General. As per settled position of law amongst other decision of Hon'ble High Court of Madras in the case of Simplex Infrastructures Ltd. Vs. UOI - 2020 (373) ELT 574 (Mad.) as and when the export obligation discharge certificate is issued, the said officer becomes "functus officio" and if at all such an order of such officer is to be reviewed, the same can be done only by the Director General, as provided under Section 16.
- Therefore, in view of the above we most respectfully pray to your good office either restore our EOC or give us decision that whether export obligation already discharged by taking FOB value of Third Party Exports for EPCG Authorisation issued under FTP 2009-14 was correct or the value realised by the EPCG Authorisation Holder as provided under Para 5.5 of FTP read with Para 5.7 of HBP 2009-14 is to be taken.
- We wish to be heard in person in the matter. An early action in the matter is solicited looking to the long pending representation since 30.10.2020 submitted on 31.10.2020 on line and physically submitted on 14.12.2020 as well as in view of the hearing fixed by the Commissioner, NS-II, JNCH, NhavaSheva on 17.10.2024.

RECORD OF PERSONAL HEARING

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH
 SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

50. Personal hearing was scheduled on any of the dates on 10.01.2023, 17.01.2023 & 23.01.2023 by the erstwhile Adjudicating authority for both the Noticees with regard to SCN No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016. On behalf of M/s. Printwell Offset, Shri Pankaj Rachchh, Advocate, appeared before the erstwhile Adjudicating Authority for the Personal Hearing held on 23.01.2023 and referred to their written submission dated 07.01.2023.

- (i) Further he stated that DRI show cause notice is misplaced as they have already got redemption letter from DGFT. DRI has not taken into consideration that their license was issued under FTP 2009-14 while issuing the show cause notice they have referred to the provisions of under the policy of 2015-16.
- (ii) Further, he also referred to RUD-4 wherein interim order has been issued by Dy. Director General of Foreign Trade who has issued it for Jt. Director General of Foreign Trade withdrawing the redemption issued on 30.04.2015. Shri Rachchh Stated that this power lies only with DGFT and it could not have been issued by an officer subordinate to him. On a query whether the impugned interim order was appealed against by them he replied in negative as the order was an interim one. Final order dated 28.07.2016 in para 16 states that this case shall be referred to DGFT for policy clarification which has not been done yet and therefore no demand notice was issued by DRI and the instant show cause notice has been issued only for the confiscation and penalty part. Further since the issue whether their EODC is right or wrong remains undetermined; the goods do not become liable to confiscation.
- (iii) He further referred to para 5.1 (a) of FTP wherein it is written that the export obligation should be equivalent to 6 times of duty saved on capital goods. It is nowhere written that the value will not include the value of the third party exporter. Para 5.71 of HBP authorizes third party export with endorsement on shipping bills in this regard.
- (iv) Further, he referred to para 5.10 of the FTP 2015-20 wherein a new provision in sub para (c) was inserted which state that the goods exported through third party should be manufactured by EPCG authorisation holder or the supporting manufacturer. Such provision was not present in the earlier policy.
- (v) He stated that the provisions contending para 5.10(d) was not present in the earlier FTP. He placed reliance on circular no. 3 /2015-20 dt. 02.09.2015 of DGFT., which states that para 5.10 (d) of HBP shall not be applicable to third party exports made prior to 01.04.2015.
- (vi) They have not violated any of the conditions of customs notification as well.
- (vii) As per Section 110 (2) of Customs Act, 1962, if the notice is not issued within 6 months from the date of seizure then seized goods are required to be return to the

50.8.1. On behalf of the M/s. Printwell Offset and its partner Shri Jitendra Jadavbhai Kakadia, Shri Pankaj Rachchh, Advocate, appeared before the undersigned for the Personal Hearing held on 07.08.2025 through video conferencing and submitted as:-

- (i) In the matters on behalf of M/s. Printwell Offset and Shri Jitendra J. Kakadia, he reiterated the submissions dated 07.01.2023 and 11.01.2025 already submitted.
- (ii) He specifically invited attention towards para 7, 32, 33 and 34 of the SCN dated 20.06.2024 and submitted that M/s. Printwell Offset had imported Printing Machinery without payment of Customs Duty against EPCG Authorisation under claim of benefit of Notification No. 102/2009-Cus. Dated 11.09.2009. M/s. Printwell Offset had printed cover pages of exercise note book and internal pages of exercise note books were printed by M/s. Nemaxmi Books (India) Pvt. Ltd. and same were exported through third party namely M/s. Nemlaxmi Books (India) Pvt. Ltd. and benefit of export obligation was claimed by M/s. Printwell Offset and not said third party. It was permissible well within the Foreign Trade Policy. Accordingly, Export Obligations were fulfilled and redemption (Export Obligation Discharge Certificate-EODC) was issued by the DGFT on 30.04.2015. Then DRI had initiated investigation and was of the opinion that value of export obligation on the part of M/s. Printwell Offset was around 4.27% only. Therefore, on reference from DRI, the same rank officer of the DGFT had revoked the redemption (EODC) by interim order. Therefore, the two SCNs are issued proposing confiscation of seized goods and demanding Customs duty with interest and penalty.
- (iii) M/s. Printwell had made host of correspondence with the DGFT head office as well as Rajkot office including PRC (Policy Relaxation Committee) in the matter that export

 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

obligation discharged and EODC issued were well within all four of the FTP and clarification issued in this regard.

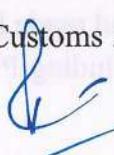

- (iv) Now, the Lt. DGFT, Rajkot vide his letter dated 06.08.2025 enclosing letter dated 14.02.2025 clarified that all exports made prior to 05.12.2017 and on the basis of redemption granted to EPCG No. 2430001677 dated 03.07.2012 on 30.04.2015 was consistent with DGFT policy provision and correctly issued.
- (v) On being asked specific question that whether any appeal is preferred against the order of revocation of redemption (EODC) he clarified that order dated 02.12.2015 withdrawing redemption issued on 30.04.2015 was interim order and even as per final order dated 28.07.2016 was subject to clarification by DGFT, New Delhi on the valuation, therefore, no appeal was filed against the said orders.
- (vi) He submitted that based on the clarification/letter dated 06.08.2025, now both the SCNs cannot survive and requested to drop the proceedings.
- (vii) He further assured to make submissions covering the clarification etc. within fortnight.

50.9. M/s. Printwell Offset, made further written submissions dated 22.08.2025 as brought out in Para 49.10. above.

DISCUSSION AND FINDINGS

51. At the outset, I find that the subject SCN dated 06.06.2016 vide F.No. DRI/AZU/JRU/INT-04/2015-16 read with Corrigendum dated 15.07.2016 and 28.03.2019 was issued to M/s. Printwell Offset (hereinafter referred to as "Noticee No.1") and M/s. Nemlaxmi Books (India) Pvt. Ltd. (hereinafter referred to as "Noticee No.2") by the Directorate of Revenue Intelligence under Section 124 of the Customs Act, 1962 for confiscation of seized goods imported under the Export Promotion Capital Goods (EPCG) Scheme using the impugned EPCG Authorization No.2430001677 dated 03.07.2012 (hereinafter to be referred as 'EPCG Authorisation' for brevity) for alleged non-fulfillment of Export obligation (hereinafter to be referred as 'EO' for brevity) and consequential penalties on the above mentioned noticees. I find that the subject show cause notice proposed for:

- (i) Confiscation of the "Heidelberg Speedmaster CD 102, Five Color Offset Printing Press 72 x 102 CM..... and High Speed Cutter Polar N115 Plus including standard equipment & accessories S. No.8231148" totally valued at Rs. 8,83,26,723/-, imported under Bill of Entry No. 8288223 dated 22.10.2012 and 8288712 dated 22.10.2012 and confiscation of the "Heidelberg Suprasetter A 106 Model with M-Kits and software and Rapro + 85 ..." valued at Rs. 74,07,593/-, imported under Bill of Entry No. 8270493 dated 19.10.2012 under Section 111(o) of the Customs Act,1962 read with Section 124 of the Customs Act, 1962.

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH
 SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

51.1. I also find that since the Hon'ble High Court of Gujarat in its order dated 29.03.2016 had not quashed the order of the Jt. DGFT dated 02.12.2015 withdrawing the EODC issued to the noticee but allowed them to fulfill the export obligation by making further exports; the SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 was issued only to cover the seizure of the plant and machinery and the duty foregone on the import of machinery was not demanded in the said show cause notice and the same would be examined on the expiry of the export obligation period available under the said EPCG license in consultation with the office of the Joint DGFT.

51.2. I further find that with reference to the demand and recovery of duty involved in the goods imported through multiple ports viz. Mumbai Air Cargo, Nhava Sheva under a single EPCG Authorisation, the competent authority i.e, Commissioner of Customs, NS-II, JNCH, Nhava Sheva, Tal: Uran, Dist.-Raigad, Maharashtra-400707 had issued Show Cause Notice No.572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024 under Section 124 read with Section 143 of Customs Act, 1962 for alleged misuse of EPCG Authorisation by Noticee No.1 in collusion with Noticee No. 2. The said Show Cause Notice was also issued to Shri Jitendra Jadavbhai Kakadia, Partner of Noticee No. 1 (hereinafter referred to as "Noticee No.3") and Shri Vimal Kumar Sekhani, Director of Noticee No. 2 (hereinafter referred to as "Noticee No.4") including the Noticee No. 1 & 2. I find that the subject show cause notice proposed for:

- (i) Denial of exemption from payment of duty in respect of EPCG Authorisation No. 2430001677 dated 03.07.2012 under Zero duty EPCG scheme read with Notification No.102/2009-Cus dated 11.09.2009 for the capital goods imported vide Bills of Entry 8288223 dated 22.10.2012, 8288712 dated 22.10.2012 and 8270493 dated 19.10.2012 to Noticee No. 1;
- (ii) Demand and recovery of the proportionate Customs Duty foregone of Rs. 2,47,49,694/- (Rupees Two Crore, Forty-Seven Lakhs, Forty-Nine Thousand, Six Hundred and Ninety Four Only) from Noticee No. 1 under Notification No. 102/2009-Cus dated 11.09.2009;
- (iv) Demand and recovery of Interest as applicable, on the duty demanded above, from Noticee No. 1 under Notification No. 102/2009-Cus dated 11.09.2009 read with the conditions of the Bond executed by them at the time of import;
- (v) Confiscation of the goods exported by Noticee No. 2 under Shipping Bill mentioned in Annexure - A, totally valued at Rs. 12,16,46,716/- (Rupees Twelve Crores, Sixteen Lakhs, Forty-Six Thousand, Seven Hundred and Sixteen Only) under Section 113(i) of the Customs Act, 1962.
- (vi) Imposition of penalty upon Noticee No. 1 under Section 112(a) & (b), Section 114 (iii), Section 114A and Section 114AA of the Customs Act, 1962,
- (vii) Imposition of penalty upon Noticee No. 2 under Section 114 (iii), Section 114AA and Section 117 of the Customs Act, 1962.
- (viii) Imposition of penalty upon Noticee No. 3 under Section 112(a) & (b), Section 114 (iii), Section 114AA and Section 117 of the Customs Act, 1962.

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH
 SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

- (ix) Imposition of penalty upon Noticee No. 4 under Section 114 (iii), Section 114AA and Section 117 of the Customs Act, 1962.
- (x) Enforcement of Bonds executed by Noticee No. 1 at the time of import, in terms of Section 143(3) of the Customs Act, 1962, for recovery of the Customs Duty of Rs. 2,47,49,694/- and interest thereupon.

51.3. I also find that the Jt. DGFT, Rajkot vide his letter dated 06.08.2025 enclosing letter dated 14.02.2025 clarified that all exports made prior to 05.12.2017 and on the basis of redemption granted to EPCG Authorisation No. 2430001677 dated 03.07.2012 on 30.04.2015 was consistent with DGFT policy provision and correctly issued.

52. I find that the Noticees were required to submit their written reply to the show cause notices within 30 days from the date of its receipt. I find that the Noticee No. 1 and 3 have submitted their written response and they have also appeared before me for personal hearing held on 07.08.2025. I find that in the instant case, sufficient period was given for submission of written reply and several opportunities of personal hearings was also given to the Noticees No. 2 and 4 however they did not appear before me. Having complied with the requirement of the Principles of Natural justice and having granted adequate opportunities for Personal Hearings, the adjudication proceedings cannot be kept pending indefinitely. Although, Noticee no. 2 have given submission before the then adjudicating authority, I proceed to adjudicate by taking into consideration of all the submissions made by all the noticees till now. Moreover, in case of Noticee no. 4, the matter is being decided ex-parte.

53. I have meticulously reviewed both the SCNs, brief facts, written submissions, records of personal hearings, and relevant legal provisions. I find that the following issues have to be decided:

- (i) Whether Noticee No. 1 fulfilled the specific EO under EPCG Authorization No. 2430001677 dated 03.07.2012 by claiming the full FOB value of third-party exports made by Noticee No. 2 in 2013-2014, despite limited value addition (approximately 4.27%) through title/cover page printing on the imported machines.
- (ii) Whether the Export Obligation Discharge Certificate (EODC) dated 30.04.2015 was correctly issued under the applicable Foreign Trade Policy (FTP) 2009-2014 and Handbook of Procedures (HBP); and whether its withdrawal vide orders dated 02.12.2015 and 28.07.2016 was valid, considering subsequent DGFT clarifications (including Policy Circular No. 10/2024-25 dated 13.12.2024 and letters dated 14.02.2025 and 06.08.2025) affirming that pre-2017 third-party exports allow counting of full FOB value.
- (iii) Whether Customs duty forgone of Rs. 2,47,49,694/- under Notification No. 102/2009-Cus. dated 11.09.2009, along with interest, is recoverable from Noticee No. 1 due to alleged non-fulfilment of EO conditions, requiring actual use in export production.
- (iv) Whether the seized machines (valued at Rs. 9,57,34,316/-) are liable to confiscation under Section 111(o) of the Customs Act, 1962, in light of the EO status and

provisional release ordered by the Hon'ble Gujarat High Court and subsequent modification on 29.03.2016.

- (v) Whether the DGFT's 2025 clarifications confirming consistency of the EODC with policy provisions for pre-05.12.2017 authorizations and allowing full FOB counting till 04.12.2017 render the proceedings unsustainable, requiring dropping of both the Show Cause Notices dated 06.06.2016 and 20.06.2024.
- (vi) Validity of withdrawal orders by Deputy DGFT in light of Section 16 of FTDR Act limiting review powers, applicability of time limits under Section 110(2) and binding nature of DGFT policy interpretations on Customs authorities.
- (vii) Whether goods exported by Noticee No. 2 under Shipping Bill mentioned in Annexure - A, totally valued at Rs. 12,16,46,716/- (Rupees Twelve Crores, Sixteen Lakhs, Forty-Six Thousand, Seven Hundred and Sixteen Only) are liable for confiscation under Section 113(i) of the Customs Act, 1962.
- (viii) Whether penalties under under Section 112(a) & (b), Section 114 (iii), Section 114A and Section 114AA of the Customs Act, 1962 are imposable on Noticee No. 1 for alleged misrepresentation or facilitation of improper EO fulfilment.
- (ix) Whether penalties under under Section 114 (iii), Section 114A and Section 117 of the Customs Act, 1962 are imposable on Noticee No. 2 for alleged misrepresentation or facilitation of improper EO fulfilment.
- (x) Whether penalties under under Section 112(a) & (b), Section 114 (iii), Section 114AA and Section 117 of the Customs Act, 1962 are imposable on Noticee No. 3 for alleged misrepresentation or facilitation of improper EO fulfilment.
- (xi) Whether penalties under under Section 114 (iii), Section 114A and Section 117 of the Customs Act, 1962 are imposable on Noticee No. 4 for alleged misrepresentation or facilitation of improper EO fulfilment.
- (xii) Enforcement of Bonds executed by Noticee No. 1 at the time of import, in terms of Section 143(3) of the Customs Act, 1962, for recovery of the Customs Duty of Rs. 2,47,49,694/- and interest thereupon.

54. Now, I proceed to discuss the issues that are to be decided based on the facts and evidences on record:-

54.1. Whether M/s. Printwell Offset fulfilled the specific EO under EPCG Authorization No. 2430001677 dated 03.07.2012 by claiming the full FOB value of third-party exports made by M/s. Nemlaxmi Books (India) Pvt. Ltd. in 2013-2014, despite limited value addition (approximately 4.27%) through title/cover page printing on the imported machines:-

54.1.1. I find that the Export Promotion Capital Goods (EPCG) Scheme under the Foreign Trade Policy (FTP) 2009-2014, as notified under Customs Notification No. 102/2009-Cus dated 11.09.2009, permitted the import of capital goods at zero customs duty subject to fulfilment of a specific Export Obligation (EO) equivalent to six times the duty saved, to be discharged within six years from the authorization date. In the instant case, M/s. Printwell Offset (the Noticee) obtained EPCG Authorization No. 2430001677 dated 03.07.2012 for

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH
 SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

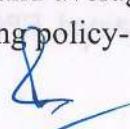

importing three offset printing machines, availing duty exemption of INR 2,47,49,694/-, with an EO of FOB value amounting to INR 14,84,98,164/- or USD 26,73,234.81.

54.1.2. I find that the Noticee No. 1 discharged the EO through third-party exports via Noticee No. 2, under 64 shipping bills totally valued at Rs. 12,16,46,716/-, covering exports of exercise books/notebooks (CTH 48202000) and ruled paper (CTH 48026290) during 2013-2014. These exports involved the Noticee No. 1 performing title/cover page printing (value addition of 4.27%, amounting to Rs. 63,47,206/- in job work charges) using the imported machines, while Nemlaxmi handled other manufacturing processes.

54.1.3. I find that under Para 5.7 of the Handbook of Procedures (HBP) 2009-2014, third-party exports were explicitly permitted and the full Free on Board (FOB) value of such exports could be counted towards EO fulfilment provided the shipping bills were endorsed with the EPCG authorization number for correlation and no double counting occurred. The Noticee No. 1's exports complied with this as evidenced by the No Objection Certificate (NOC) dated 22.09.2014 from Noticee No. 2 and the shipping bills submitted to the DGFT, Rajkot. There was no requirement under the prevailing policy for minimum value addition in third-party exports; the focus was on the actual user condition, which the Noticee No. 1 satisfied by utilizing the imported machines in the export production process. Subsequent policy amendments, such as the insertion of Para 5.10(d) in HBP 2015-2020 restricting EO counting to the value realized by the authorization holder, were clarified as prospective via DGFT Policy Circular No. 03/2015-20 dated 02.09.2015, applying only to exports on or after 01.04.2015.

54.1.4. I find that the Directorate of Revenue Intelligence (DRI) alleged misrepresentation in claiming the full export value despite minimal value addition, arguing that predominant manufacturing was by Nemlaxmi. However, this interpretation overlooks the policy's allowance for third-party arrangements under FTP 2009-2014, where the authorization holder needed only to contribute to the export product using imported capital goods. I find that Statements recorded from Noticee No. 3 on 29.04.2015 and 22.10.2020, and Noticee No. 4 on 29.06.2015, confirm the job work nature without intent to defraud, supported by invoices and ledger account produced by the Noticee No. 4 during his statement, showing the proof of payment to Noticee No. 1. The EO period expired on 02.07.2018 without further defaults post the Hon'ble Gujarat High Court's order dated 29.03.2016, which permitted continued use of machines for EO fulfilment.

54.1.5. I find that DGFT Policy Circular No. 10/2024-25 dated 13.12.2024, issued in compliance with the Hon'ble Gujarat High Court's judgment in South Gujarat Warp Knitters Association v. Union of India (SCA No. 16316/2021, upheld by Supreme Court in SLP(C) No. 29793/2024 on 02.08.2024), reinforces that amendments to Para 5.10(c) of HBP 2015-2020 are prospective, applicable only to EPCG authorizations issued on or after 05.12.2017. For prior authorizations like the Noticee No. 1's, full FOB value of third-party exports till 04.12.2017 counts towards EO, subject to single counting and average EO maintenance. This aligns with the Noticee No. 1's pre-2015 exports, confirming policy-compliant fulfilment.

SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

54.1.6. In view of the above, I find that the Noticee No. 1 fulfilled the EO under EPCG Authorization No. 2430001677 dated 03.07.2012 by claiming the full FOB value of third-party exports in 2013-2014, as permitted under FTP/HBP 2009-2014 and clarified prospectively in subsequent circulars. Hence, no violation of EO conditions occurred, rendering the DRI's allegation of misrepresentation unsubstantiated in this reference.

54.2. Whether the Export Obligation Discharge Certificate (EODC) dated 30.04.2015 was correctly issued under the applicable Foreign Trade Policy (FTP) 2009-2014 and Handbook of Procedures (HBP); and whether its withdrawal vide orders dated 02.12.2015 and 28.07.2016 was valid, considering subsequent DGFT clarifications (including Policy Circular No. 10/2024-25 dated 13.12.2024 and letters dated 14.02.2025 and 06.08.2025) affirming that pre-2017 third-party exports allow counting of full FOB value:-

54.2.1. I find that the Export Obligation Discharge Certificate (EODC) dated 30.04.2015 was issued by the Joint Director General of Foreign Trade (Jt. DGFT), Rajkot, upon verification of the Noticee No. 1's submission of ANF-5B, shipping bills, Bank Realization Certificates (BRCs), and Noticee No. 2's NOC, confirming EO discharge equivalent to six times the duty saved. Under FTP 2009-2014, issuance of EODC signifies closure of the authorization, discharging all obligations and rendering the issuing officer *functus officio*. The withdrawal vide interim order dated 02.12.2015 and Order-in-Original dated 28.07.2016 by the Deputy DGFT, Rajkot (same rank as issuer), was based on DRI inputs alleging inadequate value addition, without independent inquiry or adherence to procedural safeguards.

54.2.2. I find that Section 16 of the Foreign Trade (Development and Regulation) Act, 1992, empowers the DGFT to review orders of subordinate officers or the Central Government to review DGFT's orders, but only for correctness, legality, or propriety, with a two-year limitation for prejudicial variations and mandatory show-cause notice and hearing. The Hon'ble Madras High Court in *Simplex Infrastructures Ltd. v. Union of India* [2020 (373) ELT 574 (Mad.)] held that post-EODC issuance, the officer becomes *functus officio*, and review lies solely with the DGFT under Section 16 supra, not subordinates. Here, the Deputy DGFT lacked jurisdiction to withdraw the EODC unilaterally, especially as the Order-In-Original dated 28.07.2016 deferred finality by referring the matter to DGFT Headquarters for clarification on value addition, rendering it interim and non-appealable.

54.2.3. I find that the Noticee No. 1 did not appeal the withdrawal orders, treating them as provisional pending DGFT clarification, consistent with the OIO's deferral. Subsequent DGFT communications, including letters dated 14.02.2025 and 06.08.2025 from DGFT Headquarters and Rajkot, re-examined the case per Policy Circular No. 10/2024-25 dated 13.12.2024, confirming the EODC's correctness under FTP 2009-2014 provisions for third-party exports. The DGFT, Rajkot office's letter dated 24.12.2024 explicitly recommended reinstatement, noting exports predated restrictive amendments and full FOB counting was valid. This effectively revokes the 2015-2016 orders, restoring the EODC's validity.

 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

54.2.4. I find that DRI's reliance on post-2015 HBP provisions for withdrawal did not factor the FTP's temporal applicability and the Hon'ble Gujarat High Court's observations in the Noticee No. 1's SCA No. 20606/2015 and subsequent order dated 29.03.2016 upheld the opportunity for EO fulfilment without quashing the withdrawal but emphasizing policy compliance.

54.2.5. Now, the Jt. DGFT, Rajkot vide his letter dated 06.08.2025 enclosing letter dated 14.02.2025 clarified that all exports made prior to 05.12.2017 and on the basis of redemption granted to EPCG Authorisation No. 2430001677 dated 03.07.2012 on 30.04.2015 was consistent with DGFT policy provision and correctly issued.

54.2.6. In view of the above, I find that EODC dated 30.04.2015 was validly issued under FTP 2009-2014. Its withdrawal vide orders dated 02.12.2015 and 28.07.2016 was jurisdictionally infirm under Section 16 FTDR Act under functus officio doctrine and stands revoked per DGFT clarifications dated 14.02.2025 and 06.08.2025, reinstating the EODC.

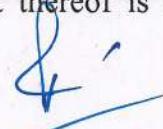

54.3. Whether Customs duty forgone of INR 2,47,49,694/- under Notification No. 102/2009-Cus. dated 11.09.2009, along with interest, is recoverable from Noticee No. 1 due to alleged non-fulfilment of EO conditions, requiring actual use in export production:-

54.3.1. I find that the Show Cause Notice dated 20.06.2024 proposes recovery of duty forgone of Rs. 2,47,49,694/- along with applicable interest under Notification No. 102/2009-Cus dated 11.09.2009 read with the conditions of the Bond executed by them at the time of import, alleging non-fulfilment of EO and non-use of imported machines for export production.

54.3.2. I find that CBIC Circular No. 05/2010-Cus issued on March 16, 2010, establishes a structured verification and monitoring framework for export obligations under India's duty exemption and reward schemes, including EPCG, Advance Authorization, DFIA, and Chapter 3 FTP scrips. It aims to balance trade facilitation with revenue protection by mandating random checks, timely compliance, and action on defaults, while accepting DGFT certifications unless misuse is suspected. I find that EO fulfilment, confirmed by the restored EODC, extinguishes the duty exemption liability per Para 5.1 FTP 2009-2014.

54.3.3. I find that demands post-EODC issuance are impermissible unless fraud is proven, which is absent here no concealment or misstatement in import declarations or EO claims, as the third-party arrangement was disclosed to DGFT. The Hon'ble Supreme Court in Union of India v. Jain Shudh Vanaspati Ltd. [1996 (86) ELT 126 (SC)] held that duty recovery requires violation of notification conditions, not mere procedural lapses.

54.3.4. Moreover, I find that the SCN's reliance on DGFT's withdrawn orders is untenable post-reinstatement. Thus, no duty demand and interest thereof is sustainable, as EO was

fulfilled per restored EODC which indicates conditions of notification No. 102/2009-Cus have been complied with. The proposal in SCNs dated 06.06.2016 & 20.06.2024 for demand and recovery of duty is, therefore, liable to be dropped.

54.4. Whether the seized machines (valued at Rs. 9,57,34,316/-) are liable to confiscation under Section 111(o) of the Customs Act, 1962, in light of the EO status and provisional release ordered by the Hon'ble Gujarat High Court and subsequent modification on 29.03.2016:-

54.4.1. I find that SCN dated 06.06.2016 proposes confiscation of the three machines totally valued at Rs.9,57,34,316/- under Section 111(o) of the Customs Act, 1962, for alleged violation of conditions of Notification No. 102/2009-Cus by improper EO discharge. Section 111(o) of the Customs Act, 1962 applies to goods imported in contravention of notification conditions, rendering them liable to confiscation. However, the machines were imported compliantly against the EPCG authorization, and their use in title printing for third-party exports satisfied the actual user condition, as EO fulfilment confirms.

54.4.2. Also, the Hon'ble Gujarat High Court in SCA No. 20606/2015, vide its order dated 29.03.2016, modified provisional release conditions under Section 110(A) of the Customs Act, 1962 but did not uphold confiscation, instead permitted use of the machines for EO fulfilment, implying no *prima facie* violation. Thus, I find that the machines are not liable to confiscation under Section 111(o) supra, as no violation of conditions of notification No. 102/2009-Cus occurred, EO was fulfilled and hence proposal of confiscation of the said seized machines under section 111(o) supra in SCNs dated 06.06.2016 & 20.06.2024 is not sustainable.

54.5. Whether the DGFT's 2025 clarifications confirming consistency of the EODC with policy provisions for pre-05.12.2017 authorizations and allowing full FOB counting till 04.12.2017 render the proceedings unsustainable, requiring dropping of both the Show Cause Notices dated 06.06.2016 and 20.06.2024: -

54.5.1. I find that DGFT's Policy Circular No. 10/2024-25 dated 13.12.2024, issued in compliance with the Hon'ble Gujarat High Court's judgment in South Gujarat Warp Knitters Association v. Union of India, upheld by the Supreme Court in SLP(C) No. 29793/2024 on 02.08.2024, explicitly clarifies the prospective nature of amendments to Para 5.10(c) of the Handbook of Procedures 2015-2020 (mid-term review). This amendment restricted the counting of third-party exports towards EO fulfilment to the value realized by the authorization holder, rather than the full Free on Board (FOB) value. The circular affirms that such restrictions apply only to EPCG authorizations issued on or after 05.12.2017, allowing holders of earlier authorizations like the Noticee No. 1's dated 03.07.2012, to count the full realized value of shipping bills for third-party exports made till 04.12.2017, subject to single counting and maintenance of average EO. In the instant case, the Noticee No. 1's exports under 64 shipping bills (dated 12.07.2013 to 11.04.2014) predate these thresholds, aligning with the circular's retrospective validation for FTP 2009-2014 regimes.

 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

54.5.2. I find that subsequent DGFT Headquarters letter dated 14.02.2025, addressed to the Joint DGFT, Rajkot, with a copy to the Noticee No.1, applies the above-mentioned circular to the specific facts, directing re-examination of the request for restoration of the Export Obligation Discharge Certificate (EODC) dated 30.04.2015. It reiterates that, for third-party exports, the full FOB value counts towards EO under extant FTP/HBP provisions, emphasizing consistency with the High Court's directive on non-retrospectivity. This communication resolves the ambiguity raised in the Deputy DGFT's Order-in-Original dated 28.07.2016, which had deferred clarification on value addition (4.27%) to DGFT Headquarters. By endorsing full FOB counting, the letter effectively nullifies the basis for the OIO's withdrawal, rendering it non-binding.

57.5.3. Further, the response of DGFT, Rajkot vide letter dated 06.08.2025 further cements this position, confirming that the EODC dated 30.04.2015 was issued correctly under Para 5.7.1(a) of HBP 2009-2014, which permitted third-party exports with shipping bill endorsements and no restriction on full FOB valuation. It notes the exports timing i.e pre-01.04.2015, as clarified in Policy Circular No. 03/2015-20 dated 02.09.2015 and recommends revocation of the withdrawal orders dated 02.12.2015 and 28.07.2016. This chain of communications, originating from policy clarification and culminating in case-specific affirmation, extinguishes any alleged violation of conditions of notification No. 102/2009-Cus dated 11.09.2009, as EO discharge is conclusively certified.

54.5.4. I find that Under Section 3 of the Foreign Trade (Development and Regulation) Act, 1992 (FTDR Act), DGFT's policy interpretations and circulars are binding on all authorities, including Customs, for implementing export promotion schemes. The Hon'ble Gujarat High Court in E.I. DuPont India Pvt. Ltd. v. Union of India [2013 (298) ELT 451 (Guj.)] underscored this by directing the issuance of circulars on the binding effect of higher authorities' decisions, quashing an order that ignored Tribunal precedents on refund eligibility. Para-wise, the judgment highlights: (i) disregard of binding interpretations violates judicial discipline; (ii) revenue cannot substitute its views for policy clarifications; and (iii) such non-adherence invites systemic chaos. Non-compliance here would similarly undermine the FTDR Act's framework.

54.5.5. The Bombay High Court in Legrand (India) Pvt. Ltd. v. Union of India [2007 (216) ELT 678 (Bom.)] reinforces that DGFT circulars supersede internal revenue interpretations in scheme compliance, setting aside a penalty for disregarding FTP provisions on third-party endorsements. Para-wise: (i) policy circulars ensure uniformity in exemptions; (ii) retrospective norms are impermissible without explicit legislation; and (iii) EO certifications bind post-verification. These precedents compel acceptance of the DGFT communications, rendering the Show Cause Notices (SCNs) dated 06.06.2016 and 20.06.2024 unsustainable.

54.5.6. In view of the above, I find that the recent DGFT communications, including Policy Circular No. 10/2024-25 dated 13.12.2024 and letters dated 14.02.2025 and 06.08.2025, are binding under Section 3(3) FTDR Act and affirm EO compliance under FTP 2009-2014,

validating the full FOB counting for the Noticee's third-party exports and restoring the EODC dated 30.04.2015. Consequently, both SCNs lack foundation and are liable to be dropped.

54.6. Validity of withdrawal orders by Deputy DGFT in light of Section 16 of FTDR Act limiting review powers, applicability of time limits under Section 110(2) and binding nature of DGFT policy interpretations on Customs authorities: -

54.6.1. I find that the withdrawal of the EODC dated 30.04.2015 via Deputy DGFT's orders dated 02.12.2015 and 28.07.2016 suffers a jurisdictional infirmity under Section 16 of the FTDR Act, which vests review powers exclusively in the Director General of Foreign Trade (DGFT) for orders of subordinate officers, limited to two years for prejudicial variations and mandating show-cause notice and hearing. The Hon'ble Madras High Court in Simplex Infrastructures Ltd. v. Union of India [2020 (373) ELT 574 (Mad.)] quashed a similar subordinate revocation, holding the officer functus officio post-EODC issuance. Para-wise: (i) Section 16's "review" is hierarchical, not lateral; (ii) DRI inputs alone cannot trigger withdrawal without independent DGFT inquiry; and (iii) procedural lapses render the action void ab initio. This flaw cascades to the SCNs, as their premise (EO non-fulfilment) relies on the invalid withdrawal, now revoked per DGFT's 2025 clarifications.

54.6.2. The Supreme Court in Union of India v. Kamlakshi Finance Corp. Ltd. [1991 (55) ELT 433 (SC)] mandates adherence to higher precedents, quashing non-compliant orders. Para-wise: (i) subordinates must follow appellate/Tribunal rulings; (ii) procedural errors like time-bars are fatal; and (iii) this ensures equity. Similarly, the Supreme Court in Oriental Coal Co. Ltd. v. Union of India [1991 (55) ELT 733 (SC)] held that ignoring binding decisions undermines uniformity, directing remand for compliance.

54.7. Whether goods exported by Noticee No. 2 under Shipping Bill mentioned in Annexure - A, totally valued at Rs. 12,16,46,716/- (Rupees Twelve Crores, Sixteen Lakhs, Forty-Six Thousand, Seven Hundred and Sixteen Only) are liable for confiscation under Section 113(i) of the Customs Act, 1962:-

54.7.1. I find that the SCNs dated 06.06.2016 and 20.06.2024 propose confiscation of the exported goods viz. exercise books/notebooks (CTH 48202000) and ruled paper (CTH 48026290) under 64 shipping bills valued at Rs. 12,16,46,716/- under Section 113(i) of the Customs Act, 1962, on grounds of improper exportation through misrepresentative declarations. Section 113(i) targets goods whose exportation or attempted exportation contravenes the Act or any rules/notifications thereunder, including conditions for scheme benefits. The allegation stems from the shipping bills' endorsement, via Noticee No. 2's No Objection Certificate dated 22.09.2014, attributing manufacturing to Noticee No. 1 using imported machines under the EPCG authorization, despite their limited role in title/cover page printing i.e 4.27% value addition. However, under Para 5.7 of the Handbook of Procedures 2009-2014, third-party exports required only endorsement of the EPCG authorization on shipping bills for correlation, without mandating detailed value addition disclosure or predominant manufacturing by the authorization holder. The declarations

complied with this contemporaneous policy, as confirmed by the Directorate General of Foreign Trade (DGFT)'s reinstatement of the Export Obligation Discharge Certificate dated 30.04.2015 vide letters dated 14.02.2025 and 06.08.2025, rendering the proposal untenable.

54.7.2. I further find that the Noticee No. 2 & 4 argued that Notification No. 102/2009-Cus dated 11.09.2009 contain the definition of manufacture under Sr. No. 5 of explanation attached to the said notification reading as under :- "manufacture has the same meaning as defined in clause (f) of section 2 of the central Excise Act, 1944 where "manufacture" includes any process" incidental or ancillary to the completion of a manufactured product" and the word manufacture, shall be construed accordingly and shall include not only a person who employs hired labour in manufacture of excisable goods but also any person who engages in their manufacture on his own account. Further, they contested that in accordance with the definition of "manufacture" specified in section 2(f) of the Central excise Act, 1944 implies to mean that even certain manufacturing process carried out by Noticee No.1 in relation to the completion of manufacturing process of export product by the Noticee No.2 in its own name would amount to manufacturing operation carried out by Noticee No. 1 by the use of capital goods imported under E.P.C.G. Authorisation No. 2430001677 dated 03/07/2012 to meet and fulfil terms and conditions as laid down under Para 9.12 of the Foreign Trade Policy 2009-2014 for the utilization of the capital goods in the manufacture of export product ultimately and eventually physically exported by the Noticee No. 2 to a foreign country thereby complying with the definition of "capital goods" attached with the aforementioned notification.

54.7.3. Having examined the arguments of Noticee No. 2 & 4 regarding the incorporation of the "manufacture" definition from Section 2(f) of the Central Excise Act, 1944 encompassing any incidental or ancillary process to the completion of a manufactured product, including hired labor or self-production and the FTP 2009-2014's delineation of "Capital Goods" as machinery for direct or indirect production in export-oriented activities under Para 9.12, I conclude that Noticee No.1's printing of title/cover page on notebooks using imported offset machines under EPCG Authorisation unequivocally qualifies as "manufacture." This process, though ancillary and contributing only 4.27% value addition, completes the export product (exercise books under CTH 48202000) by rendering it marketable, satisfying the "actual user" condition of Notification No. 102/2009-Cus dated 11.09.2009 without necessitating predominant involvement. The reinstated EODC dated 30.04.2015, affirmed by DGFT's clarifications dated 14.02.2025 and 06.08.2025 under Policy Circular No. 10/2024-25 dated 13.12.2024, further validates full FOB counting for third-party exports, extinguishing any alleged contravention and warranting the dropping of all proceedings against the noticees.

57.7.4. I further find that the Hon'ble Gujarat High Court's order dated 29.03.2016 in SCA No. 20606/2015, while addressing import-side provisional release, implicitly supports export compliance by permitting machine use for EO fulfilment without quashing the process. Moreover, Section 113(i) requires contemporaneous contravention at export, but post-facto DGFT affirmation under Section 3 of the Foreign Trade (Development and Regulation) Act, 1992, binds Customs to accept scheme validity, as held by the Hon'ble CESTAT in

Commissioner of Customs (Export) v. Essar Oil Ltd. [2018 (362) ELT 193 (Tri.-Ahm.)]. Para-wise in that ruling: (i) export declarations aligned with prevailing FTP are not improper if subsequently validated; (ii) policy clarifications cure interpretive ambiguities without retroactive taint; and (iii) no confiscation absent mens rea. In the instant case, DGFT's clarifications dated 14.02.2025 and 06.08.2025 confirms full FOB permissibility by revoking the EODC withdrawal dated 02.12.2015. **Thus, I hold that no export contravention persists, and therefore the goods are not liable for confiscation under Section 113(i) supra.**

54.8. Whether penalties under Section 112(a) & (b), Section 114 (iii), Section 114A and Section 114AA of the Customs Act, 1962 are imposable on Noticee No. 1 for alleged misrepresentation or facilitation of improper EO fulfilment:-

54.8.1. Penalties under Section 112(a) and Section 112(b) of the Customs Act, 1962:- I find that penalties under Section 112(a) and Section 112(b) of the Customs Act, 1962, are proposed on the Noticee No. 1 for their acts/omissions rendering goods liable to confiscation, including alleged misrepresentation in EO claims.

In this context, I find that the Noticee No. 1 are not liable to penalty under Section 112 (a) and Section 112(b) supra as the same is invoked due to improper importation by violation of conditions of Notification No. 102/2009-Cus per non-fulfilment of the export obligation. The same has, however, been fulfilled as evident by the EODC restored by the DGFT, per DGFT's clarifications dated 14.02.2025 and 06.08.2025 under Policy Circular No. 10/2024-25 dated 13.12.2024. **Thus, I hold that penalties under Section 112(a) and Section 112(b) supra, are not imposable on Noticee No. 1.**

54.8.2. Penalty under Section 114(iii) of the Customs Act, 1962:- As I have already held in preceding paras that the exported goods are not liable for confiscation under Section 113(i) of the Customs Act, 1962. **Hence, I hold that penalty under Section 114(iii) supra, is not imposable on Noticee No. 1.**

54.8.3. Penalty under Section 114A of the Customs Act, 1962:- I find that penalty under Section 114A of the Customs Act, 1962, is proposed on the Noticee No. 1. Regarding the proposal for imposition of penalty under Section 114A, I have gone through the provisions of Section 114A. It is clear that the same is applicable only in cases where duty is being determined under sub-section (8) of Section 28 of the Customs Act, 1962. Since there is no demand of duty under section 28 of the Customs Act, 1962 which is being determined under sub-section (8), I hold that penalty under Section 114A of the Customs Act, 1962 cannot be imposed in the instant case.

54.8.4. Penalty under Section 114AA of the Customs Act, 1962:- I find that penalty under Section 114AA of the Customs Act, 1962 is proposed on the Noticee No. 1 for fraudulently obtaining EODC from DGFT authorities on the basis of wrong NOC/ declaration dated 22.09.2014 issued by Noticee No. 2 with sole intention to defraud the exchequer.

F. No. S/10-25/2016-17/CAC/NS-IV(Comm)/JNCH
 SCN F.No. DRI/AZU/JRU/INT-04/2015-16 Dated 06.06.2016 &
 SCN No. 572/2024-25/CC/EPCG/NS-II/CAC/JNCH Dated 20.06.2024

In this context, I find that Noticee No. 1 provided invoices, bank realizations, challans, and correspondence with DGFT, explicitly linking non-production to the interpretive ambiguity on value addition under Para 5.7 HBP 2009-2014, without minimum thresholds. Further, Statements from Noticee No. 3 dated 22.10.2020 and 18.12.2020 candidly admitted oral contracts and private transport but reiterated policy reliance, submitting ledger accounts and applications to PRC for extension. This substantial compliance negates "knowing or intentional" use of incorrect materials, as Section 114AA demands material particular falsity with mens rea. **Thus, I hold that penalty under Section 114AA supra, is not imposable on Noticee No. 1.**

54.9. Whether penalties under under Section 114 (iii), Section 114AA and Section 117 of the Customs Act, 1962 are imposable on Noticee No. 2 for alleged misrepresentation or facilitation of improper EO fulfilment:-

54.9.1. Penalty under Section 114(iii) of the Customs Act, 1962:- As I have already held that the exported goods are not liable for confiscation under Section 113(i) of the Customs Act,1962. **Hence, I hold that penalty under Section 114(iii) supra, is not imposable on Noticee No. 2.**

54.9.2. Penalty under Section 114AA of the Customs Act, 1962:- I find that penalty under Section 114AA of the Customs Act, 1962 is proposed on the Noticee No. 2 for allegedly falsely stating that the exported goods were "manufactured with the help of capital goods imported by Noticee No. 1" supported with the issuance of wrong NOC/ declaration dated 22.09.2014.

In this context, I find that the NOC accurately reflected the ancillary use of EPCG machines for title printing as per FTP 2009-2014, enabling permissible correlation without value thresholds, as confirmed by DGFT's reinstatement of the EODC and resolution of the value addition query in the DGFT, Rajkot's order dated 28.07.2016 via DGFT's clarifications dated 14.02.2025 and 06.08.2025 under Policy Circular No. 10/2024-25 dated 13.12.2024. **Thus, I hold that penalty under Section 114AA supra, is not imposable on Noticee No. 2.**

54.9.3. Penalty under Section 117 of the Customs Act, 1962:- I find that penalty under Section 117 of the Customs Act, 1962 is proposed on the Noticee No. 2 for assisting and abetting Noticee No. 1 in defrauding the exchequer by helping them to fraudulently fulfil the export obligation so as to evade payment of Customs duty on the machines imported under EPCG scheme rendering the imported machines liable for confiscation under Section 111(o) of the Customs Act, 1962 and thereby making themselves liable for penalty under Section 117 of the Customs Act, 1962.

In this context, I find that the reinstated EODC dated 30.04.2015 discharges all conditions per FTP, as DGFT's clarifications dated 14.02.2025 and 06.08.2025 confirm EO

fulfilment via compliant third-party linkage, revoking the basis for invocation. **Thus, I hold that penalty under Section 117 supra, is not imposable on Noticee No. 2.**

54.9.4. Moreover, Noticee No. 2's liability to penalty under Section 112(a) and 112(b) of the Customs Act, 1962 is also mentioned in para 44.1 of the SCN dated 20.06.2024 however, the same are not proposed to be imposed on them in the charging para 47.3. I find that in the instant case, improper importation is not established and hence, invocation of the Section 112(a) and 112(b) supra is not sustainable.

54.10. Whether penalties under under Section 112(a) & (b), Section 114 (iii), Section 114AA and Section 117 of the Customs Act, 1962 are imposable on Noticee No. 3 for alleged misrepresentation or facilitation of improper EO fulfilment:-

54.10.1. Penalties under Section 112(a) and Section 112(b) of the Customs Act, 1962:- I find that penalties under Section 112(a) and Section 112(b) of the Customs Act, 1962, are proposed on the Noticee No. 3 for violation of provisions of Foreign Trade Policy 2009-2014 and conditions imposed under Notification No. 102/2009-Cus dated 11/09/2009 rendering the said capital goods liable for confiscation under Section 111(o) of the Customs Act, 1962 and therefore rendering himself liable for penalty under Section 112 (a) and Section 112 (b) the Customs Act, 1962.

In this context, I find that the Noticee No. 3 is not liable to penalty under Section 112 (a) and Section 112(b) supra as the same is invoked due to improper importation by violation of conditions of Notification No. 102/2009-Cus per non-fulfilment of the export obligation. The same has since been fulfilled as the EODC has been restored by the DGFT, per DGFT's clarifications dated 14.02.2025 and 06.08.2025 under Policy Circular No. 10/2024-25 dated 13.12.2024. **Thus, I hold that penalties under Section 112(a) and Section 112(b) supra, are not imposable on Noticee No. 3.**

54.10.2. Penalty under Section 114(iii) of the Customs Act, 1962:- As I have already held that the exported goods are not liable for confiscation under Section 113(i) of the Customs Act, 1962. **Hence, I hold that penalty under Section 114(iii) supra, is not imposable on Noticee No. 3.**

54.10.3. Penalty under Section 114AA of the Customs Act, 1962:- I find that penalty under Section 114AA of the Customs Act, 1962 is proposed on the Noticee No. 3 for being the mastermind for fraudulent third-party export by obtaining incorrect NOC/ declaration dated 22.09.2014 from Noticee No. 2 and allegedly making false declaration knowingly and intentionally, in their application for EODC (ANF-5B) on the part of the importer, despite being aware of that the goods being exported by them were not manufactured in their factory and therefore did not qualify for exports against EPCG authorization.

In this context, I find that although he described oral contracts, private vehicle transport, and no further exports post-2016, allegedly using "incorrect" material by omitting formal proofs, facilitating misrepresented EO claims yet, these disclosures were candid and

aligned with FTP 2009-2014's leniency on third-party exports, with partial submissions viz. invoices, ledger account etc. provided alongside deferrals tied to DGFT's pendency regarding clarification on interpretation. No "material particular" falsity exists, as DGFT's clarifications dated 14.02.2025 and 06.08.2025 confirmed oral job work's validity for ancillary printing, without intent to deceive since his admissions underscored transparency, requesting time for clarification to avoid premature exports amid ambiguity. **Thus, I hold that penalty under Section 114AA supra, is not imposable on Noticee No. 3.**

54.10.4. Penalty under Section 117 of the Customs Act, 1962:- I find that penalty under Section 117 of the Customs Act, 1962, is proposed on the Noticee No. 3 for violation of provisions of Foreign Trade Policy 2009-2014 and conditions imposed under Notification No. 102/2009-Cus dated 11/09/2009 rendering the said capital goods liable for confiscation under Section 111(o) of the Customs Act, 1962 and therefore rendering himself liable for penalty under Section 117 the Customs Act, 1962.

In this context, I find that the reinstated EODC dated 30.04.2015 discharges all conditions per FTP, as DGFT's clarifications dated 14.02.2025 and 06.08.2025 confirm EO fulfilment via compliant third-party linkage, revoking the basis for invocation. **Thus, I hold that penalty under Section 117 supra, is not imposable on Noticee No. 3.**

54.11. Whether penalties under Section 114 (iii), Section 114AA and Section 117 of the Customs Act, 1962 are imposable on Noticee No. 4 for alleged misrepresentation or facilitation of improper EO fulfilment:-

54.11.1. Penalty under Section 114(iii) of the Customs Act, 1962:- As I have already held that the exported goods are not liable for confiscation under Section 113(i) of the Customs Act, 1962. **Hence, I hold that penalty under Section 114(iii) supra, is not imposable on Noticee No. 4.**

54.11.2. Penalty under Section 114AA of the Customs Act, 1962:- I find that penalty under Section 114AA of the Customs Act, 1962, is proposed on the Noticee No. 4 for alleged fraudulently mentioning the EPCG Authorization No.2430001677 of Noticee No. 1 in the shipping bills filed by Noticee No. 2 and also wrongly issuance of NOC/ declaration dated 22.09.2014 declaring that the materials exported by Noticee No. 2 had been manufactured with the help of the capital goods imported by Noticee No. 1.

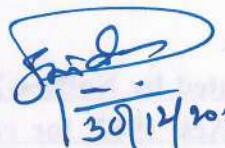

In this context, I find that NOC accurately reflected the ancillary use of EPCG machines for title printing as per FTP 2009-2014, enabling permissible correlation without value thresholds, as confirmed by DGFT's reinstatement of the EODC and resolution of the value addition query in DGFT's order dated 28.07.2016 via clarifications dated 14.02.2025 and 06.08.2025. Noticee No. 4's statement admitted oral transport and no written agreements but provided partial challans and emphasized overnight job work without intent to hide, consistent with FTP's leniency on logistics proofs for third-party exports. **Thus, I hold that penalty under Section 114AA supra, is not imposable on Noticee No. 4.**

54.11.3. Penalty under Section 117 of the Customs Act, 1962:- I find that penalty under Section 117 of the Customs Act, 1962, is also proposed on the Noticee No. 4 for alleged fraudulently mentioning the EPCG Authorization No.2430001677 of of Noticee No. 1 in the shipping bills filed by Noticee No. 2 and also wrongly issuance of NOC/ declaration dated 22.09.2014 declaring that the materials exported by Noticee No. 2 had been manufactured with the help of the capital goods imported by Noticee No. 1.

54.12.1. I find that Noticee No. 1 have executed the Bonds at the time of import under Section 143(1) of the the Customs Act, 1962 read with condition no. 6 of the Notification No. 102/2009-Cus dated 11.09.2009.
