PUBLIC NOTICE NO. 04 /2007

(Referred / amended vide S.O.No. [50/2011](#))

Attention of Exporters, CHAs and all concerned is invited to this Custom House Public Notice No. 57/2001 dated 05.07.2001 and [7/2004](#) dated 11.02.2004. Prescribing norms for granting permission for factory/warehouse stuffing of export goods and procedure thereof.

2. In addition to the conditions prescribed in the above two public notices, wherever the requisition is made for examination and stuffing of export cargo at a private warehouse on M.O.T, it should be ensured that the private warehouse fulfills all the norms prescribed for safe and secure storage of goods and also has adequate facilities for examination of goods by custom officers. Relevant records should also be maintained showing the receipt of the export cargo in the private warehouse and movement of export containers should also be verified by the officer while processing the said request.

3. All the requests for overtime will be processed by the Preventive Section and the collection of O.T. Charges be done only after O.T request is approved by Supdt (Prev), working in Posting Section duly authorized in this regard.

4. The name of officers posted for such overtime posting will be displayed by P.S.O Section alone.
