Public Notice No.: 71/2025

Subject: Streamlining the Documentation Requirements for expediting
Assessments under NAC-Chemicals -reg.

Attention of all Importers, Customs Brokers and other stakeholders is invited to the Public Notice 21/2023 dated 08.03.2023 of JNCH, wherein the delays caused by **non-submission of complete information and requisite documents** at the time of filing the Bill of Entry, was extensively discussed.

2. Further, during the meetings held with the trade, it was brought to the notice of NAC-Chemicals that queries were being raised, to seek such information necessary for assessment, which in turn causing delay in assessment and non-compliance of the procedural requirements for the assessment.

3. In light of the above, to re-iterate and streamline the assessment process, a detailed list of products from Chapter 28 to 49, along with necessary documents is attached at Annexure-A.

4. It may be noted that the list provided in Annexure-A is not exhaustive in nature. Depending on the description, classification and nature of the imported goods, importers may be required to submit additional supporting documents to enable accurate assessment. Furthermore, the Assessing Officer retains the discretion to call for any further documents or clarifications deemed necessary for the assessment process. Further, issuance of this Public notice does **NOT**, in any way, affect the applicability of PN 21/2023.

6. Stakeholders are urged to comply with the above requirements in order to avoid multiple queries during assessment, minimize delays and contribute to the smooth functioning of the Faceless Assessment system.

This issues with the approval of Convenor, NAC Chemicals & Chief Commissioner of Customs, Mumbai Zone-II, JNCH.

(K. Mahipal Chandra)

Jt. Commissioner of Customs &
Secretary, NAC-Chemicals
