SHOW CAUSE NOTICE UNDER SECTION 124 OF THE CUSTOMS ACT, 1962

Subject: Show Cause Notice under Section 124 of the Customs Act, 1962 to the exporter M/s Gharda Chemicals Ltd. with respect to erroneously sanctioned Special Brand Rate Duty Drawback vide F. No. S/12-Gharda-BR-220/2019-20 DBK/JNCH dated 04.12.2019- reg.

BRIEF FACT OF THE CASE

M/s Gharda Chemicals Ltd. (hereinafter referred to as "the Exporter"), having IEC- 0388080680, situated at Gharda House, 48, Hill Road, Brandra West, Mumbai- 400050, had filed application for fixation of Special Brand Rate of Duty Drawback of under rule 7(1) of the Customs and Central Excise Duty Drawback Rule, 2017, vide exporter's application no. OM/Gharda/02/25/19-20 dtd 11.09.2019.

2. Accordingly, Special Brand Rate of Duty Drawback amounting to Rs. 10,00,76,377/- was fixed by the competent authority in respect of the aforesaid restricted quantity. The Special Brand Rate fixation letter was issued vide F. No. S/12-Gharda-BR-220/2019-20 DBK/JNCH dated 04.12.2019 (RUD-1).

3. **AUDIT OBSERVATION:**

During the audit conducted by the Audit Department, an audit objection was raised vide Audit Memo No. 08/Audit Para No. 01 (RUD-II), involving tax effect of Rs. 10,00,76,377/-, on the ground of incorrect payment of Special Brand Rate Duty Drawback. Vide the audit objection, the Audit Department expressed their audit as below-

"As per para 'c' of Circular No. 38 / 2017 dated 22.09.2017 for claiming general AIR duty drawback the relevant tariff item number of goods have to be suffixed with suffix 'B' in shipping bill e.g. in instant case export of goods covered under tariff item 38089199, the drawback serial No. should be declared as 380899B.

As per para 2 of Annexure-1 attached to Circular No. 29/2015-Customs dated 16/11/2015, the exporter opting for claim of brand rate under Rule 7 of Drawback Rule 1995 shall declare the figure 9807 as identifier along with tariff item number of goods followed by character 'B' in shipping bill under drawback details e.g. in instant case export of goods covered under tariff item 38089199, the drawback identifier should be declared as 98073808B.

Rule 7(1) of Customs and Central excise Duties Drawback Rules, 2017, Where, in respect of any goods, the exporter finds that the amount or rate of drawback determined under rule 3 or, as the case may be, revised under rule 4, for the class of goods is less than eighty per cent. of the duties paid on the materials or components used in the production or manufacture of the said goods, he may, **except where a claim for drawback under rule 3 or rule 4 has been made**, within three months from the date relevant for the applicability of the amount or rate of drawback in terms of sub-rule (3) of rule 5, make an application to the Principal Commissioner of Customs or Commissioner of Customs.

During audit examination of fixation and payment of Special Brand Rate, it was noticed that exporter had worked out and department had allowed drawback amount of Rs 10,00,76,377/- for the restricted quantity of 530881 KG of item "Fipronil Technical 97% (Fipronil 98% Technico)". Exporter have made one shipment vide shipping bills No. 4731958 dated 07.06.2019 for the quantity of 400 KG and remaining quantity allowed to be exported before end of one-year period ending on 06.06.2020 starting from first shipping bill date. Further, audit examination revealed that, exporter had claimed the drawback under Tariff Item 380899B of the schedule in terms of Rule 3 of the Drawback Rules commonly known as the All Industry Rate of drawback. Exporter did not claimed drawback under tariff identifier 98073808B as prescribed.

Exporter has to decide at the time of the export of the goods whether he wants to claim drawback at the notified rate under Rule 3, or at the Brand Rate under Rule 7 by using prescribed tariff identifier. Once he chooses to claim drawback under Rule 3, he thereafter cannot make a claim for the determination of the Brand Rate of drawback under Rule 7. Therefore, the drawback of an amount of Rs 10,00,76,377/-, claimed by exporter and allowed by the department under Rule 7 is found to be incorrect. Thus, non-observance of the Rule 7(1) has resulted into incorrect payment of duty drawback of Rs 10,00,76,377/-."

4. RELEVANT LEGAL PROVISIONS:

The legal provisions relevant to the present case are as under:

(A) Circular No. 38/2017-Customs dated 22.09.2017

For shipping bills filed on or after 23.11.2015, the exporters opting for claim of brand rate under rule 7 of the Customs, Central Excise Duties and Service Tax Drawback Rules, 1995 shall declare the figure 9807 (instead of 9801) as an identifier in the shipping bill under the drawback details. Immediately after the said identifier, the tariff item number of goods as shown in column (1) of the Schedule shall be declared followed by the character 'B'."

(C) Rule 7(1) of the Customs and Central Excise Duties Drawback Rules, 2017

"17. Repayment of erroneous or excess payment of drawback and interest. – Where an amount of drawback and interest, if any, has been paid erroneously or the amount so paid is in excess of what the claimant is entitled to, the claimant shall, on demand by a proper officer of Customs, repay the amount so paid erroneously or in excess, as the case may be, and where the claimant fails to repay the amount it shall be recovered in the manner laid down in sub-section (1) of section 142 of the Customs Act, 1962 (52 of 1962)."

(E) Section 75A(2) of the Customs Act, 1962

"(2) Where any drawback has been paid to the claimant erroneously or it becomes otherwise recoverable under this Act or the rules made thereunder, the claimant shall, within a period of two months from the date of demand, pay, in addition to the said amount of drawback, interest at the rate fixed under section 28AA and the amount of interest shall be calculated for the period beginning from the date of payment of such drawback to the claimant till the date of recovery of such drawback."

5. FINDINGS ARISING FROM THE AUDIT:

a) From the aforesaid facts, audit observations vide Audit Memo No. 08/Audit Para No. 01, and legal provisions, it is evident that the exporter has incorrectly filed a Special Brand Rate claim despite having claimed AIR in the shipping bill and without mentioning the mandatory identifier "9807" in the drawback declaration, as required under Circular No. 29/2015-Customs dated 16.11.2015 for filing Special Brand Rate claims under Rule 7(1) *ibid*. Accordingly, the drawback amount of Rs. 10,00,76,377/- (excluding eligible AIR Drawback) sanctioned to the exporter is recoverable under Rule 17 of the Duty Drawback Rules, 2017, along with applicable interest under Section 75A(2) of the Customs Act, 1962.

6. Now, therefore, the exporter M/s Gharda Chemicals Ltd., having IEC-0388080680, is hereby called upon to show cause to the Additional Commissioner of Customs, Adjudication Section (CAC), NS-II, JNCH, within 30 days of receipt of this notice, as to why:

under Rule 17 of the Drawback Rules, 2017;

ii) interest payable thereon should not be recovered under Section 75A(2) of the Customs Act, 1962; and

7. The noticee is required to specifically mention in their written reply as to whether they wish to be heard in person before the case is decided. In case the noticee does not submit a written reply within the aforesaid period or if they fail to attend the personal hearing, whenever it is fixed by the adjudicating authority, the case will be decided on the basis of material evidence available on record, ex-parte, without any further reference to them.

This Notice is issued without prejudice to any other action that may be initiated against the noticee or any other person under the Customs Act, 1962 or any other Act or law for the time being in force in India in relation to the goods covered in this Show Cause Notice also.
