CORRIGENDUM TO MINUTES OF THE CUSTOMS CLEARANCE FACILITATION COMMITTEE (CCFC) MEETING HELD ON 15.01.2025

In respect of the Minutes of the Customs Clearance Facilitation Committee (CCFC) Meeting held on 15.01.2025 issued by this office on 21.01.2025 it is submitted that there is correction at Sr. No. 5.2 of the Annexure – III (Fresh Agenda Point for CCFC Meeting, Date: 15.01.2025), the said agenda point may be read as below:

Sr. No.	Agenda Point	Sponsoring Authority	Response/ Final Response	Whether Closed
5.2	After CPP (central parking Plaza) for export Buffer containers was commissioned JNCH vide PN 59/2022 dated 6th Oct 2022 had barred CFSs from servicing" Buffer Exports" which was historically been done at CFSs with efficiency to the satisfaction of Exporters. CFSAI has made few representations seeking Review of PN 59 dated 6th October 2022 as: i) Since our Member CFSs have been have providing this facility as "export Buffer" yard for last several years, depriving them of same has adversely impacted their performance adversely and is unfair. Also granting permission only to a single facility i.e. CPP creates a monopolistic situation. ii) Our Member CFSs who wish to participate and have procured RFID Readers" would be able to offer the services exactly in line with what is offered in CPP. iii) The Trade / Exporter should have the option to choose the service provider for buffer yard, other parameters being same, on the basis of their competitiveness, service level comfort level of the Exporters and should not be left with only one option of using CPP. We have not been favoured with any response from JNCH, despite several representations. It is requested that our request be considered on basis of merits and	Container Freight Stations Association of India (CFSAI)	NS-II: This matter has already been deliberated in earlier CCFC meeting dated 24.05.2023 and the same was treated as closed for the time being till any further development. Further in view of CFSAI representation, matter may be reconsidered by the Commissioner of Customs, NS-II.	Not closed

JNCH may please respond to our representation.
