

**OFFICE OF THE COMMISSIONER OF CUSTOMS (NS-III)
CONTAINER SCANNING DIVISION
JAWAHARLAL NEHRU CUSTOM HOUSE, NHAVA-SHEVA
TAL. URAN DIST. RAIGAD, MAHARASHTRA-400707**

F.No. S/V-30/Misc-156/2013- CSD

Date: 29.10.2021

**INVITATION LETTER FOR REPRESENTATION ON "ROLE OF A.I. IN
IMAGE ANALYSIS"**

The JNPT port has advanced scanners for detection and examination of containerized cargo. The image analysis is highly effective to detect any threat arising through import/export of cargoes.

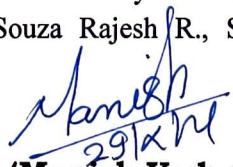

2. To further enhance its effectiveness, this office is looking forward to incorporate use of AI in image analysis. In this regard, the companies/entities/institutions engaged in image analysis or national security are requested to submit/give their expression of interest or presentation.

3. The said presentation will be useful in analyzing the use of AI in image analysis of scanned containers. It is mentioned that such presentation will only be used for knowledge purpose and creates no obligation or liability on the department.

4. Further, no scanned image or image analysis process will be shared by this office.

5. In view of above, all the interested institutions are requested to share their knowledge/experience of use of AI in image analysis, so that this office can get sufficient ideas regarding scope of use of AI, world-wide experience so far, its effectiveness & efficiency and best global practices.

6. Kindly, send presentation at csd.jnch@gov.in. In case if you wish to give a presentation in person, please contact Shri D'Souza Rajesh R., Suptd./CSD (9821068216).

(Manish Yadav)

Dy. Commissioner of Customs,
Container Scanning Division,
NS-III, JNCH
