4. CFSAI के द्वारा उठाया गया कार्यबिन्दु /AGENDA POINTS RAISED BY CFSAI :

कार्यबिन्दु संख्या/POINT NO. 1. Non-Receipt of IGM File details to member CFSs:

The subject issue was deliberated in various earlier in PTFC and CCFC meetings and it was assured that with SCMTR becoming live the IGM data will be available to each CFSs. But till date our Member CFSs are not getting the same. This data is important to the CFSs to update the information in their system before arrival of containers from Terminals. In absence of this vital information, it results in delay in documentation, delay in movement of containers from Terminals, involves manual data entry from hard copies as received from the trade, resulting in errors and challenges in authenticity of data. It is once again requested to JNCH to make this data available.

**प्रतिक्रिया/Response:** The issue has been escalated to ICEGATE Team for early resolution.

**5. BCBA के द्वारा उठाया गया कार्यबिन्दु /AGENDA POINTS RAISED BY BCBA :**

**कार्यबिन्दु संख्या/POINT NO. 1. Request for Monitoring of Container Connectivity from CPP/CFS to Port Terminals.**

We would like to bring to your attention the ongoing issue of persistent congestion at certain terminals, which is significantly disrupting the connectivity of export consignments.

To address this, we seek your assistance in closely monitoring the connectivity of containers moved from the Centralized Parking Plaza and various Container Freight Stations to terminals. This will ensure that containers are appropriately planned for loading onto scheduled vessels in the larger interest of EXIM Trade.

In addition, we also request that Public Notice No. 73/2017 be suitably modified to include provisions that address the movements of containers from CFS to terminals, ensuring a more streamlined process.

During times of port congestion, we also request that relevant stakeholders provide timely communications to the trade community, detailing any extensions in vessel cut-off times and other measures being implemented to mitigate these delays.

**प्रतिक्रिया/Response:** It is the responsibility of the CFS to ensure that the container reaches on time at the port terminal for onward movement. Accordingly, the CFS to make a monitoring mechanism and whenever there is undue delay other than congestion, the same should be brought to the notice of Customs. Instructions were issued to Port terminals to increase necessary logistic infrastructure including deployment of additional human resources commensurate with growing volume of work. Further, all stakeholders were advised to utilize the Free Hours to the maximum possible which will minimize possibility of congestion.

**6. BCBA के द्वारा उठाया गया कार्यबिन्दु /AGENDA POINTS RAISED BY BCBA :**

**कार्यबिन्दु संख्या/POINT NO. 1. Request for Implementation of Assessment Function as Per Para 8 of PN 64/17 for Custom Holidays.**

We refer to Para 8 of Public Notice No. 64/17 regarding the allotment of the "Assessment Function" to Superintendents posted at the Centralized Parking Plaza (CPP) during Custom holidays.

In light of this, we seek your assistance in implementing this arrangement to ensure uninterrupted export clearance during these times. This initiative will greatly benefit the EXIM trade community by ensuring timely clearance of their Export Consignments.

**प्रतिक्रिया/Response:** It was informed that whenever there are two or more consecutive holidays, this office issues office orders containing names of the officers (including AC, Superintendent/Appraiser, Examiner) who will be on duty. The said order is pasted on the notice board for the facilitation of the trade.
