Date : 27.10.2021

**OFFICE NOTE**

**Quarterly Preventive Maintenance Inspection For JNPCT P-60(DTS) system**

Quarterly Preventive Maintenance Inspection (PMI) for **Drive Through Container Scanner (DTCS)** has been scheduled on **07.11.2021** start from **09.00 A.M** for **24 hours**.

2. The officers posted at the DTCS are hereby directed that on the day of PMI, the said scanner may be handed over to M/s ECIL Rapiscan Ltd. after clearing the waiting containers in queue and report for the duty at **MXCS, JNPCT**. While taking over the scanner after completion of PMI operations, the respective batch in charge of the Superintendent (P) is directed to inspect the scanner and record his observations and submits the same to the undersigned.

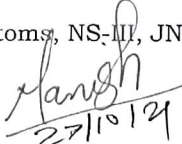

3. The staff posted at Mobile Scanners is directed to scan the containers marked for scanning at DTCS or MXCS in the following manner:

Vessel berthing terminal	JNPCT	NSICT/ NSIGT	APMT/ GTI
Selected for scanner	D-scan; M-scan	D-scan; M-scan	D-scan;M-scan
To be scanned at Mobile Scanner MXCS	JNPCT	JNPCT; NSICT/ NSIGT	JNPCT

4. The containers of COVID related cargo/ DPD Containers are to be given priority for scanning.

5. Container Freight Station (CFS) and other stakeholders are also informed that the above mentioned provisions may be adhered to **on the day of PMI** and transporters may be directed by them accordingly.

This issues with the approval of Commissioner of Customs, NS-III, JNCH.
