F. No. S/12-Gen-Misc.-709/2018-19 DBK Pt. IV

Date: 04.10.2018

**STANDING ORDER NO. : 36/2018**

Subject: Revocation of the IGST and ROSL suspension after revocation of Drawback Alert against an IEC - reg.

It is seen in EDI system that when drawback against an IEC is suspended by inserting an alert in AC\_DBK Role, the IGST and ROSL also gets automatically suspended against the IEC alongwith drawback. However, after revocation of Drawback alert, the IGST and ROSL suspension doesn't get revoked automatically.

2. In view of above, it is hereby directed that in future whenever DC/AC, Drawback/BRC revokes alert on any IEC for Drawback suspension after approval of competent authority, he/she will simultaneously revoke alert on IGST and ROSL suspension.

3. In cases where alert for suspension of Drawback has already been revoked, on receiving request by the exporter to revoke IGST or ROSL suspension, DC/Drawback (Admn) shall follow the following procedure:-

a) He/She will first verify if there is any existing alert on IEC to suspend Drawback through Sr. No. 22 of DBK\_AC Role.

b) If there is no alert on IEC to suspend Drawback, GST refund and ROSL suspension shall be revoked at Sr. No. 24 and 28 of DBK\_AC Role respectively.

4. In case of difficulty faced in implementation of this Standing Order, same should be brought to the notice of the undersigned.
